## INSURANCE MATTERS.

#### THE ONTARIO MUTUAL.

On another page of this issue appears a brief summary of the 30th aunual statement of the Ontario Mutual Luc Assurance Company of Waterloo, Ontarlo. A study of this statement ontario. A study of this statement will make gratifying reading to the 18,000 policy-holders of this Mutual life Insurance Company—a company which is practically owned by the policy-holders. The gains shown in every department are very marked. income from premiums and interest showed the large increase for the year showed the large increase for the year of \$127,461, bringing the annual in-come to considerably over the million mark. The business written during 1899 was over a million dollars more than that written the previous year and an increase of three and a quarter millions in insurance in force is a year's record that the company may well be proud of. The growth in as. ters and reservo kept pace with that of income and insurance in force.

Five years ago the Ontario Mutual voluntarily adopted the very severe test of valuing its liabilities on the 4 per cent actuaries table of mortality. on this stringent basis they now show the large surplus of over \$300,000, after paying participating polley-holders the usual handsome annual and quasicential dividends. Last year this rayment amounted to over \$76,000. On the government standard the quinquennial dividends. company shows a surplus of more than

\$491,000.

P. D. McKinnon has been manager of the Manitoba and North Western On-tarlo branch of the company's business for some years, with headquarters in Winnipog, and is assisted in the field by a capable and energetic staff of general agents who contributed their full share to the company's business.
