VIII. Evening Schools.

The Council of Public Instruction has made the following Regulations
 in reference to Evening Schools:

1. Trustees of Public Schools may establish in their several Sections
 Evening Schools, for the instruction of persons upwards of 19 years of age,
 who may be debarred from attendance at the Day School.
2. Such Evening School shall be in session 2 1/2 hours; and in relation
 to Public Grants, two evening sessions shall count as one day. The Pre-
 scribed Register shall be kept, and a Return of the school made in the
 form directed by the Superintendent.
3. Books and School materials for such Evening Schools will be furnis-
 hed at the same rate, and subject to the same conditions as for day schools;
 provided always that no pupil of an Evening School shall have power to
 demand the use of books free of charge, but shall, on the other hand, have
 the right of purchasing from the Trustees at half-cost, if he should desire
 to do so.
4. No portion of Provincial or County funds for Education, shall be
 appropriated in aid of Evening Schools, unless teachers are duly licensed.
5. The Council would greatly prefer that the Teachers of Evening
 Schools should be other than Teachers of Day Schools; but where this may
 not be practicable, it shall be legal for the Teacher of the day school to
 teach day school four days in the week, and evening schools three even-
 ings in the week.
