

KING'S PUREMALT

No similar preparation has ever gained favor so quickly with Physicians and Nurses as has **KING'S PUREMALT**.

As its name indicates, it is a pure extract of malt, entirely free from acid, gum, glucose or any other adulterant or thickening substance.

KING'S PUREMALT possesses both a prophylactic and therapeutic value. It is especially adapted to the needs of the aged, and for nursing mothers it is indispensable. It is a nerve sedative, and as such, brings the blessings of quiet and restful sleep to those troubled with insomnia. It is a tissue builder, and as such, is of the highest value to convalescents. It is an aid to digestion and assimilation of food, and as such, may be used by dyspeptics with the most favorable results.

In all our literature we emphasize the medical value of **PUREMALT** as an aid to the hardest work of the conscientious physician, the **BUILDING UP** after the crisis is past.

Physicians and Nurses, and all others interested, are invited to write for our literature. It will be found not only instructive but also entertaining.
