

R

*Syr. Cocillanæ Comp.*  
P. D. & Co.

SYRUP COCILLANA COMPOUND is an efficient prescription for the irritating cough of dry bronchitis, the cough of phthisis, the croupy cough of childhood, and in general in any condition of bronchial irritation in which the cough is excessive or the secretion and expectoration scanty. Each fluidounce contains:

Tincture Cocillana, 40 minims.  
Tincture Euphorbia Pilulifera, 120 minims.  
Syrup Wild Lettuce, 120 minims.  
Syrup Squill Compound, 24 minims.  
Cascarin (P. D. & Co.), 8 grains.  
Diacetyl Morphine Hydrochloride, 1/8 grain.  
Menthol, 8/100 grain.

Syrup Cocillana Compound does not disturb the stomach. It has no constipating effect—in fact it is slightly laxative, due to the cocillana and cascarin. It is adapted to administration to persons of all ages.

“R *Syr. Cocillanæ Comp., P. D. & Co.*”—write it in the prescription and your patient will get an efficient, attractive, palatable cough syrup.
