CATARRH CATARRHAL DEAFNESS A NEW HAY FEVER TREATMENT

Sufferers are not generally aware that
 these diseases are contagious, or that they
 are due to the presence of living parasites
 in the lining membrane of the nose and
 Eustacian tubes. Microscopic research
 has proved this to be a fact, and the result
 is that a simple remedy has been formu-
 lated whereby these diseases are cured
 in from one to three simple applications
 made at home. A descriptive pamphlet is
 sent free on receipt of stamp by A. H.
 Dixon & Son, 305 King-street West,
 Toronto, Canada.
