

IF you intend to use a Calendar next Christmas for 1900, better be in time and get the chance of the first selection in your town among **Lawson & Jones'** samples.

We keep a list of the applications to see samples in the order in which we receive them.

Invest a Cent in a postal card and write on it:

*"Lawson & Jones,
London, Ont.,*

*Put my name on your list to
see Calendar samples."*

Sign this distinctly and mail it to us as early as possible, as our men have to cover the whole Dominion before the time to import from Europe.

Essential Oils

WHEN you buy Essential Oils what do you want? You want them pure; of the finest quality; fresh and uniform. Isn't that so?

Now, how will you get these things? Will you go to a dealer who persistently adulterates? Will you buy of a jobber who never carries oils of a prime quality? Will you order of a concern that weighs out of large, open packages, and allows its oils to deteriorate?

We believe not.

If you are the kind of a man we think you are, you will buy your Essential Oils in Original Packages and know what you are getting. We carry a full line of originals, from 1 oz. upwards. They bear the manufacturers' guarantee and ours.

THE LONDON DRUG CO.

We refer to the D. & O. Brand of Essential Oils put up by

DODGE & OLCOTT,

86 William Street, NEW YORK.

These are guaranteed to be of standard quality, and only come in Original Packages.
