COME AND SEE THE
FREE TRADE HOUSE,
 No. 2, St. Lawrence Buildings, Toronto.

ONE of the first principles of "DOMESTIC ECONOMY," is to buy in the *Cheapest Market*, and is universally practiced by all "ECONOMICAL HOUSEKEEPERS;" and the Free Trade of the present day, by promoting wholesome competition, gives to the public the greatest amount of "Protection" the most rigid Economist can desire; but in his objection of a "HOUSEHOLD MART," it should be borne in mind that "quality is the true test of cheapness." Having purchased principally for CASH, from the Manufactures in Britain and the United States, and intent on selling at the LOWEST REMUNERATING PROFIT, for CASH ONLY,

ROBERT SARGANT & CO.

offer to the Public of Toronto, and the surrounding Country, an extensive and well-assorted Stock of Household Stores, all of which will be found fully equal in Quantity to the first London and New York Establishments, and at a considerably Lower Price than any House in this Locality.

The present system of "Puffing alias Lying," is here regulated; and R. S. & Co. (in keeping to the old adage, Honesty is the best policy") have every confidence in giving universal Satisfaction to those who may favor them with their Patronage, thereby giving greater publicity to their capabilities for promoting the best interests (the Pockets) of the People. Their Stock will comprise an Extensive and Carefully-selected Assortment of

Staple and Fancy Dry Goods,

Of the Newest Style; and Manufactures. Ladies' Cloaks, Bonnets, Mulls, Boas, &c., &c. An Immense Stock of **MR. H. A. D. W. H. A. D. H. C. L. O. T. H. I. N. G. S.** In every variety of Coats, Trousers and Vests, of Superior Cut and Make. Hats, Caps, &c.; together with a large lot of Ladies' and Gentlemen's BOOTS and SHOES, of every Description.

THEIR STOCK OF GROCERIES

They can with confidence recommend, as being entirely free from any damaged or inferior Articles, and are of the purest Qualities and best Brands.

Also a large Assortment of Shelf and Fancy Hardware,

Including a large lot of John Wilson's "BUTCHER KNIVES," of a superior quality, and very low; and R. S. & Co. being determined to cut exceedingly fine, rely upon making great slaughter among high prices in these diggings.

R. S. & Co.'s "Splendid Establishment" is now open, and ready for inspection; and they would particularly invite their Country Friends not to purchase elsewhere, before giving them a fair chance of proving the truth of their pretensions. NO SECOND PRICE!

Garments made to measure, in elegant Style, on the shortest Notice.

Remember! the FREE TRADE HOUSE is No. 2, St. Lawrence Buildings, 2 doors West of Nelson Street, in the New Stone Block on the Old Market Site, adjoining the Arcade. Can you miss it after this?

GERMAN PRACTICE OF MEDICINE.

DR. BELL

WOULD respectfully inform the citizens of Toronto, and the adjacent country, that he has located himself permanently in this City, and will be happy at all times to see those who may wish to consult him professionally. His remedies are selected principally from the Vegetable Kingdom—being prompt in their action and removal of long standing and complicated diseases, and may be administered with perfect safety, under all circumstances, conditions, and ages of life.

To those who are unacquainted with this system of practice, it may be proper to say, that it is the method of arriving at the primary seat of disease and consequent functional derangement of the system, by an inspection of the Urine, which, in all cases, should be a specimen of the first passed in the morning, brought in a clean vial or from one to three ounces, with the name and age of the patient accompanying the same.

By an inspection of this specimen, a correct judgment is formed of all chronic and sub-acute diseases affecting the human system, without the necessity of visiting patients, or subjecting them to the fatigues of a toilsome journey. Many diseases that are gradually and silently destroying the constitution, may be recognised by a pain in the back and hips, tenderness at the pit of the stomach, dizziness and pain in the head, with palpitation of the heart upon sudden emotion or exercise, a frequent cough, without the ability to raise much; frequent belching of wind, sourness of stomach, frequent desire to eat without being relieved by taking food, pain in the side and about the shoulders, the sleep not refreshing, great anxiety about little things, the breath does not go deep enough, cold feet, numbness of the limbs, habitual costiveness, singing and buzzing in the ears, and as some patients express it, "a goneness at the stomach;" female irregularities, bearing down pains and whites; such are some of the symptoms which are the precursors of disease and death. Let none therefore who experience these sad premonitions despair of help, but apply at once to the German Doctor, who can always be found at his office (near the Wellington Hotel), Liddle's Buildings, Front Street, three doors east of Church Street, over the City Baths, up stairs, 2nd door to the left.

All communications must be addressed (post paid) to S. T. BELL, Toronto. S. T. BELL, M. D. 48-3m. Toronto, Dec. 16, 1850.

CONNECTICUT
Mutual Life Insurance Co.,
 HARTFORD, CONN.

Accumulated Fund, \$200,000.

THE above Company is established upon the purely mutual system, and divides every dollar of the profits among its insured members, in proportion to the amount of the annual premiums paid by each. The Mutual system has deservedly become the popular mode of Insurance, and is the one embraced by those best informed on the subject, and who appreciate and desire security, stability and perpetuity. Predicated upon a system of mutual security and mutual benefits, each member derives all the advantages which can be realized from an insurance at the lowest rates, paying no tribute as profits to the proprietors or stockholders, for an imaginary or inadequate capital. Every person taking out a policy is a member, and is entitled to vote at the annual meetings. The dividends are declared annually, on the 31st January. All persons insuring previous to that day participate in the profits of that year.

The Company is now in the fourth year of its existence, and has become the largest institution of the kind in the world, numbering over ten thousand members. The large number contributing to its funds, afford abundant security to the insured, and ample protection to the Company from all danger or embarrassments arising from fluctuations in the average rate of mortality, so hazardous to companies of limited numbers. Larger dividends have been made to Policy holders than by any other Company in the United States, averaging more than 50 per cent. annually.

TOOTHACHE
 CURED IN A MINUTE!

A NEW and EXTRAORDINARY REMEDY, is warranted to cure this disease quicker than any other medicine in use. Its great value, peculiarity, and superiority over all other Toothache Remedies, consist in its instantaneously curing the Toothache, and preserving the teeth from further decay, as well as not injuring the Gums or sound Teeth with which it may come in contact, which is more than can be said of any other remedy in existence.

A Case of Chronic Rheumatism of fifteen years standing, cured by Halford's Balsam and Hope's Pills.
 Toronto, 14th Dec., 1848.

DR. URQUHART:
 Dear Sir—I hereby certify that I have been afflicted with Rheumatism for fifteen years; for a considerable time I was confined to bed, and the greater part of that time I could not move myself; some of my joints were completely dislocated, my knees were stiff, and all my joints very much swelled; for the last three years, I was scarcely able to do three months' work without suffering the most excruciating pains. I was doctored in Europe, by several physicians of the highest standing in the profession, as well as in this province. I was also five months in the Toronto Hospital, and notwithstanding all the means used, I could not get rid of my complaint; indeed I was told by a very respectable physician that I never could be cured, so that at the time my attention was directed to your SIR HENRY HALFORD'S IMPERIAL BALSAM for the cure of Rheumatism and Rheumatic Gout—and DR. HOPE'S PILLS, I was despairing of ever getting cured; when I called on you I was hardly able to walk, and what was almost miraculous, in three weeks from my commencing to take your medicine, I gained fourteen pounds in weight; my health was much improved, and in about three weeks more my Rheumatism was completely gone and my health perfectly restored. I now enjoy as good health as any man in Canada. Since my recovery I have walked forty-six miles in one day, with perfect freedom, and I assure you, Sir, that I feel truly thankful. You can make any use of this you please; my case is known to several individuals of respectability in this city, their names you know, and can refer to them, if necessary.

Yours, truly and gratefully,
 THOMAS WRIGHT,
 Parties referred to—William Gooderham, William Osborne, and Samuel Shaw, Esqs.

DR. JAMES HOPE'S
PURIFYING HEALTH PILLS.

A SUPERIOR Family Medicine, and a thorough purifier of the blood. It requires no long certificates, it recommends itself. For the cure of Bilious attacks, Sick-headache, Indigestion, and the whole train of symptoms arising from a weak and disordered stomach, with vitiated bilious secretions, these Pills are pre-eminently successful; and for the cure of Constipation, either habitual or temporary, they are certainly unequalled—and for elderly, as well as for young persons, they are a most desirable medicine because they act thoroughly, yet mildly, without griping, sickening sensation, or prostrating the strength.

The Pills are warranted to contain no calomel, or any mineral, or any other deleterious ingredients.
