THE CANADIAN Illustrated Shorthand Writer.

A MONTHLY MAGAZINE FOR PHONOGRAPHERS.

OPINIONS OF THE PRESS ON THE INITIAL NUMBER.

"The copy of Shorthand Writer received. Like it first rate and desire to see it prosper."—*H. A. Appert, Bus. News and Phonographic Collector, Sterling, Ill.*

"I like its style and the cosmopolitan spirit in which you have started. I shall be glad to do all that I can to support such a magazine as you claim this will be and as number one is."—*Das Brown, Secy., Chicago Bureau of Photography.*

"Your publication is in all respects first-class, and if conducted in the manner proposed, should receive the hearty support of all wide awake Phonographers. I hear nothing but the heartiest commendations from my friends who have received the first number."—*Theo. C. Rose, Secy. New York State Stenographers' Association.*

It is a neatly printed and well illustrated magazine, in which specimens of Isaac Pitman's, Munson's, Graham's and Benn Pitman's systems are exhibited. We trust that those who are interested in the subject of phonography will feel it their duty to support home enterprise by subscribing to this periodical, which will only cost them the comparatively small sum of one dollar a year, or ten cents a copy.—*Montreal Gazette.*

We are quite sure that the expectations of Canadian shorthand writers have been more than realized by the initial number of this publication. The appearance of the first number will at once dissipate any misgivings as to the manner in which the publishers intend to do their share of the work, for so far from fearing competition with American shorthand publications, it is far superior to any of them that circulate in Canada. Typographically it is all that could be desired both in letterpress and phonography, while every line of its editorial and contributed articles will prove interesting to all shorthand writers, whatever their grade of experience. The *Canadian Shorthand Writer* is edited by a well known practical reporter, and it numbers among its contributors many of the leading phonographers of the Dominion. To the student of phonography it will, on that account, be invaluable; for everyone who has gone through the experience of acquiring a knowledge of the art knows that he has much to unlearn which he has learned amiss from the text books, when he comes to apply his knowledge to practical purposes. The subscription price is \$2 a year, and the address of the publishers, Bengough Bros., Toronto.—*Sarnia Observer* (edited by Mr. Geo. Eyuel, of the House of Commons Gallery).
