

CONCRETE MIXERS

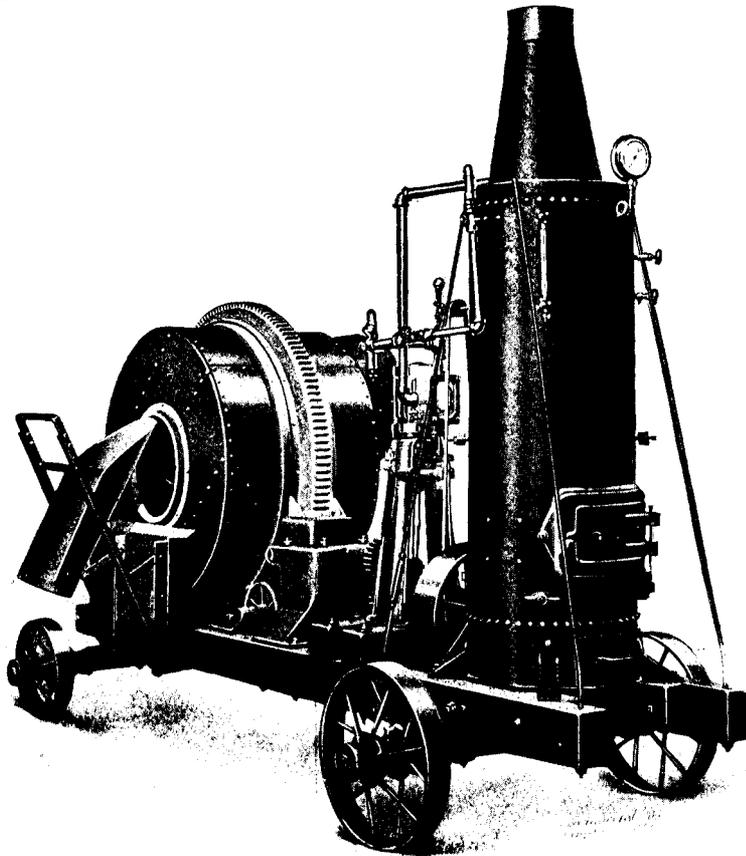

EVERY CAPACITY
AND STYLE

One of
the latest
"Smith"
Products—
a Hand
Mixer that
meets
a certain
demand for
small
concrete jobs

We cannot tell you here
how it operates, but will be
glad to send you full par-
ticulars on application.

This
illustrates
our Chicago
Concrete
Mixer
on Truck
with
Engine and
Boiler

The
discharge
on this
Mixer is the
simplest,
most
perfectly
controlled
and easiest
operated
discharge on
any
Non-Tilting
Mixer
