

**HAVE AGREED TO THE FOLLOWING :**

1. The preamble and Articles I to IV of the Agreement shall hereby be annulled and replaced by the following:

**"ARTICLE I**

For the purpose of this Agreement:

"Canadian corporation" means any Canadian corporation, including a private, public or parapublic corporation, institution, association, university or other organization in Canada or of a country other than Morocco and approved by Morocco, that participates in a project established under a subsidiary arrangement.

"non-governmental association" means a non-profit, non-governmental institution, organization or association that receives a contribution from the Government of Canada for a project, and that will work in Morocco in activities not subject to a subsidiary arrangement, but approved by the Government of the Kingdom of Morocco. The Canadian personnel of a non-governmental association means persons who are citizens of Canada, or a country other than Morocco and approved by Morocco, working in Morocco to implement a project financed by a contribution from the Government of Canada.

"Canadien personnel" means persons who are citizens of Canada or of a country other than Morocco, or who are not permanent residents of Morocco, who are approved by Morocco, and work in Morocco to implement a project established under a subsidiary arrangement.

"dependants" means the spouse of a member of the Canadian personnel and any children who are in his or her charge.

**ARTICLE II**

The Contracting Parties agree, under this Agreement, to promote a development cooperation program between the two countries, which shall include:

- a) the sending of appraisal and evaluation missions to Morocco to study and analyze development projects;
  - b) the granting of scholarships to citizens of the Kingdom of Morocco to pursue studies and to acquire training and professional development in Canada, Morocco or a third country, where appropriate;
  - c) the conduct of technical missions that allow economic operators in the Kingdom of Morocco to appreciate and acquire Canadian know-how and technology;
  - d) the assignment of experts, advisers, and other specialists to Morocco;
  - e) the provision of equipment, materials, goods and services required for the successful execution of development projects in Morocco;
-
