

The Commission has received information regarding the activities of the Communist Party in the United States. It is noted that the Party has been active in various areas, including the promotion of the Soviet Union and the spread of its influence in the United States. The Commission is concerned about the potential impact of these activities on the national security and the well-being of the United States. It is recommended that the Commission continue to monitor the activities of the Communist Party and take appropriate action to protect the national security.
