Dear sir,

I have to acknowledge with thanks receipt of your kind letter of 13th. inst. acknowledging receipt of my letter on "Rugby".

I was not aware that some of the universities play the British game as well, and it is gratifying to know that in you the game has a consistent supporter. I cannot see why the game, if given a half decent chance in the universities, should not eventually win out on its own merits.

Yours in all respect,

John J. Honeyman
