

# FOR LADIES ONLY.

It is not at all times pleasant or convenient for a lady to consult a physician for every disagreeable or annoying symptom that may occur. In Dr. Radway's Sarsaparillian, Pills, and Ready Relief—as the nature of the ailments indicate—a remedial agent is secured that will at once remove all infirmities, ailments or sickness that may arise through impaired or disturbed functional secretions, be it Leucorrhœa (Whites), a Suppression of the Menses, Profuse Menstruation, Colorless Discharges, Green Sickness, or Uterine Tumors.

Many ladies seem to be rapidly losing flesh—and are sensible of a gradual waste—without suffering from cough or any marked sign of consumption. They feel melancholy, disheartened, fretful, and feel as if they were alone in the world, when surrounded with every luxury the heart could wish, and are, indeed, martyrs to great mental and physical suffering. In these cases (Melanosis) the bile is misdirected, and, instead of being properly secreted by the liver, is retained and becomes a foreign constituent of the blood. In many cases when this takes place the skin becomes of a yellow tinge—the eyes yellow and inflamed, and the face covered with black spots, like worms, etc. Now, if ladies afflicted in this manner will take three or four of Radway's Pills every night, and a dessert-spoonful of the Sarsaparillian Resolvent three times per day, a happy change will soon follow; all these bad symptoms will soon disappear, and the weak, emaciated, and wasting body will soon become healthy and robust. A lady called on me yesterday, (4th of August, 1893,) weight, 160 lbs. She said: "Last March I left this city to go home to die; when I arrived at home (Rochester) I was nothing but skin and bones—no appetite, no spirits, no sleep, but cold sweats and nervous trembling. I saw your book called 'False and True,' and at once commenced using your remedies. I used the pills 4, 5, 6, then 5, 4, 3, 2—in this order every night, the excrements that came from me were like clotted blood. I took the Sarsaparillian Resolvent—at first three times per day, then four, then five times per day—and had my spine rubbed three times per week with the Ready Relief. After using these medicines one month I was a new woman. I gained in flesh rapidly, my spirits became buoyant, appetite good, and my menses regular—that is what your medicine has done for me!"

DR. RADWAY—Having some experience of your medicines, I take this opportunity of writing you a few lines to let you know of its work. I have a married daughter living near Vandalia, Illinois; she became afflicted with the womb disease; she tried two doctors there without success; she came back home; I got two doctors to examine her, and one said that he thought she could be cured, the other thought not; she came back home in despair. Some months after she wrote me a letter; she was well and hearty from the use of your medicines.
