Critical Dissertation on Professor Willis's  
"Architectural History of Canterbury Cathed-  
ral." By C. SANDYS, of Canterbury. 8vo.  
2s. 6d. 1846

"Written in no quarrelsome or captious spirit; the highest compli-  
ment is paid to Professor Willis where it is due. But the author has  
made out a clear case, in some very important instances, of inaccura-  
cies that have led the learned Professor into the construction of  
serious errors throughout. It may be considered as an indispen-  
sable companion to his volume, containing a great deal of extra  
information of a very curious kind."—*Art-Union*.
