S. CARSLEY,
WHOLESALE
Dry Goods,

113

ST. PETER STREET
(Rear of the Molsons Bank.)

NOVELTIES.

RECEIVED by Steamers
“Hibernian” and “Sardinian,” EIGHTY-SIX Cases of
NEW SPRING GOODS, principally FANCY GOODS and
CHOICE PRINTS.

WORTH NOTING.

Our Wholesale Department is entirely separated from the Retail, the entrance being on a different Street. The goods in our Wholesale are the same class as our Retail but at prices so much lower as will permit buyers to sell at our retail prices and get a much handsomer profit than is generally obtained.

WORTH NOTING.

Through catering for the Largest Retail Trade in the Dominion and keeping said trade steadily on the increase, we consider that we have an advantage of other Whole sellers in knowing what suits the Public best.

We have two buyers constantly in the British Markets, besides sending one over twice a year.

We buy direct from Makers and not through Commission men, and thus save all that can be saved in buying.

All We Ask from Buyers
is a call when in this market. Our terms are short, but our prices will be found correspondingly lower than long time houses.

S. CARSLEY,

113 ST. PETER ST., MONTREAL
(Rear of the Molsons Bank.)

Terms 30 days, or 1 p. c. off for prompt cash.
