#### Two Italian Airships Effectively Bombard Austrian Camps and Forts.

ROME, July 17, via Paris, July 18. -The following official statement was days for the front. issued tonight at the headquarters of the Italian general staff:

"Our troops, continuing the offensive begun auspiciously some days ago against the groups of forts near Falzarego and Val Livinallongo, now are engaged in capturing the high and difficult region situated between them. Surmounting yesterday grave difficulties of terrain and the desperate resistance of the enemy we reached the line which stretches from Bois Pass and Falzarego summit as far as

Pass and Faizarego summit as an another slopes of Lana pass. Brilliant Infantry Charge. "Especially brilliant was the action of our infantry in fighting for the possession of the slopes which descend from Lana pass to Salesi and Agai, in the Andras Valley. Under a murderous fire they stormed with the bayonet the enemy's advanced entrenchments and now are strengthening the ground.

In the Isonzo zone the enemy shows increasing activity around They made numerous weak assaults on the evening of July 15 against our positions on the heights forming the bridgehead of Plava, but without result.

'On the night of July 16 two of our airships bombarded enemy works around Goritz and camps on the northern slopes of Monte San Michele, in Carso, with satisfactory results. airships, which were constantly lighted up by flares and severely cannonaded, returned safely at dawn."
