RAW FURS.—Last week we gave a report of the results of the Hudson's Bay Co's London fur sales, which showed very unsatisfactory prices realized. Following is the cable report of C. M. Lampson & Co's London fur sales, which closed yesterday.

The above report shows that the sales have turned out unsatisfactory and the result will no doubt exercise a weakening tendency on prices here. The following quotations give the range of prices here. The prices cover the range from small to large skins, size, color and condition being considered though skins are sometimes offered which are not worth the minimum quotations, on account of being killed out of season.

WHEAT—GENERAL SITUATION.—There has not been very much change in wheat this week, though prices were a little better on some days. Large receipts at United States spring wheat points and favorable crop weather depressed prices. Cables were irregular. United States exports are light. Kansas crop reports were very favorable. Shipments last week from all exporting countries were estimated at 5,000,000 bushels. United States exports this week were 1,750,000 bushels.

WHEAT—LOCAL SITUATION.—The spring break-up of the roads came this week in good shape, and wheat deliveries in Manitoba will be practically nil until after seeding. This is what grain men were anxious for, as storage was full at many points, and it is too late in the season to ship all rail. Dealers will not want to see farmers resume deliveries until after navigation has opened and there has been an opportunity to relieve the congested storage some. Receipts at Fort William for the week ended March 21 were 91,000 bushels, shipments 25,000 bushels; in store 8,872,000 bushels. Stocks in store a year ago were 911,000 and two years ago 2,235,500 bushels. Stocks of Manitoba wheat at lake ports, milling and interior points here aggregate 8,000,000 as compared with about 3,250,000 bushels a year ago. Receipts at Fort William for the corresponding week last year were 2,117 bushels and shipments were 3,312 bushels. Prices in Manitoba country markets have continued irregular, ranging about 50c per bushel for best samples of hard wheat, at some points. We quote No. 1 hard, Fort William, cash delivery, at about 61c. May is held at about 65c.

FLOUR.—There has been no change in prices. Sales by millers here are now made at \$1.85 to \$1.90 for patents and \$1.65 to \$1.70 for strong bakers per sack of 98

pounds, delivered to city retail dealers, second bakers \$1.55 to \$1.45; XXXX \$1.20 to \$1.25 delivered. Brands of country mills are offered at 5 to 10c under these quotations.

MILLSTUFFS.—Prices have declined \$1 per ton this week. City mills are now selling at \$8 per ton for bran and \$10 for shorts, delivered in the city, in small lots.

OATS.—Oats have been very dull and they are now very slow sale. We quote car lots on track, country points at 11 to 13c. In the Winnipeg market, for local consumption, 16 to 17c per bushel of 31 pounds is paid to farmers and up to 18c has been paid for a few loads of choice milling.

BARLEY.—There is scarcely any moving. We quote car lots nominal at 13 to 15c, in the country for No. 3 and under. For the local trade 17 to 18c has been paid, per bushel of 48 pounds, for a few loads, to farmers.

WHEAT.—Local farmers' market.—The price paid at the city mills for farmers' loads is 50c per bushel of 60 pounds for best quality.

GROUND FEED. Prices range from \$11 to \$13 per ton, as to quality, the top price for rolled oat feed, and the lowest price for mixed mill feed.

OATMEAL.—Rolled oatmeal is selling at about \$1.25 per sack of 80 pounds in broken lots to retail dealers.

FLAX SEED.—Prices to farmers in Manitoba country markets are about 60c per bushel.

OIL CAKE.—Oil cake holds at \$16 per ton, including bags, for nutted or ground meal.

BUTTER.—Prices are about the same. Receipts are moderate, and there is a demand in a small way, sufficient to absorb present offerings. We quote fair to choice dairy tubs at 12 to 15c per lb. and lower grades at 8 to 10c. Ordinary rolls 9 to 11c, fancy, fresh made rolls or bricks, nicely handled, 12 to 15. Small lots 1c more. It is getting late in the season for rolls, and tubs are now preferred. The supply is expected to increase very soon, and easier prices are looked for, though at the moment values are fairly firm.

CHEESE.—Cheese is jobbing here in small lots at 8 1/2 to 10c for large and 10 1/2 to 11c for small sizes.

EGGS.—Prices started at 11c this week, at which price commission houses were selling. On Tuesday and Wednesday some were selling at 10c, but on Thursday the general price advanced to 10c again, and they are expected to hold firm until after Easter, though this will depend on supplies arriving.

LARD.—Prices are. Pure \$1.80 for 20 lb. pails, and \$1.50 for 50 lb. pails; pure leaf lard in 3, 5 and 10 pound tins, quoted at \$6.50 per case of 60 pounds, tierces 8 1/2c pound; cases of 30, one lb. tins, \$3.60.

CURED MEATS.—Hog products are firm. Smoked meats are quoted Hams, assorted sizes, 11c; breakfast bacon, bellies, 11 1/2; do. backs, 10 1/2c; picnic hams, 8c; short spiced rolls, 7 1/2c long rolls, 7 1/2c; shoulders, 7c smoked long clear, 8 1/2 to 9c; smoked jowls, 5 1/2c. Dry salt meats are quoted: Long clear bacon, 7 1/2c per lb; shoulders, 6c; backs, 8c; barrel pork, heavy mess \$13.00; clear mess \$18.00, short cut, \$16.00; rolled shoulders, \$14 per barrel. Pork sundries: fresh sausage, 7c; bologna sausage, 6 1/2c; German sausage, 6 1/2c; ham, chicken and tongue sausage, 10c per package; pickled hocks, 2 1/2c; pickled tongues, 5c; sausage casings, 30c lb.

POULTRY.—Turkeys 13c; ducks 12c; geese 12c; chickens 12c. Really fine native poultry would bring these prices, less commission.

DRESSED MEATS.—Mutton is firm, the supply in the city being very light. Hogs are steady at about 5 to 5 1/2c per pound. The top would only be paid by butchers for a few fancy hogs. City dressed beef 5 to 6c, as to
