

TRAIN TWO HOURS LATE !!

WISH I HAD KNOWN

"BEFORE
WE LEAVE
I'LL FIND OUT IF THE TRAIN IS ON TIME"

*Our engineers
will gladly answer
any enquiries or
explain any tele-
phone troubles you
may have. Write
if you want infor-
mation.*

*We ask you to
give us a trial
order for telephones.
Test them on your
lines; compare them
with those you
have been using
and satisfy yourself
as to quality. We
seek the test.*

Dear Sirs,—

The instruments bought from you work like a charm, although about twelve miles of the line just runs along the barbed wire fence.

Wishing you every success in this New Year, I remain yours for telephones and upright business,

J. F. Friesen.
