

THE LIFE  
OF  
LEWIS CHARLTON

---

People often say to me, "Well, slavery is a thing of the past and what has been done cannot now be helped, so what is the good of talking and writing about it?" My answer is that all history is a thing of the past and yet people write and study it and consider well the lessons it may teach. The old story of Israel's bondage in Egypt is so old that it is obscure from very age and yet our Sunday School books repeat the tale. Our Sunday School children are told over and over again how Egypt's cruel kings enslaved the
