Oatmeal Mush

Add one-half teaspoonful of salt to one-half cupful of Till-

son's Rolled Oats. Put the oats in the double boiler, add two cupfuls of boiling water and boll in the inner vesse on the stove for two minutes Then place in the lower sauce-

pan and cook for two hours

without stirring the oatmeal The water in the under vessel

should boil during this time,

not merely simmer, therefore should be replenished.

"I'm going for

Tillson's, sir."

Dr. and Mrs. Percy Clarkson of Al- by the board of education to give a Conservatory at 4.39 this afternoon

You see this little maid has learned to discriminate between rolled oats in general and Tillson's Rolled Oats in

There is a big difference. But there is only one way you can find it out. By

Tillson's are the only rolled oats that

can be cooked perfectly in 15 minutes.

If you have been taking longer than that to make your porridge, you have been exhausting time and effort need-

The reason Tillson's cook so quickly is

the extreme thinness of flake - such

thinness that the heat penetrates the

flakes almost instantly. 15 minutes' cooking transforms them into tasty, easily digestible porridge.

particular.

trying Tillson's.

100 ONCE FAT WOMEN TO CLIMB PIKE'S PEAK

re to climb to the apex of Pike's Peak rom Ute from Springs. That is the pro-ram mapped out among the noveltles or Colorado the coming Spring and for Colorado the coming Spring and Summer.

The lifes originated with a Denver girl—Miss Marriorie E Hamilton, who believes that physical regeneration should manifest itself in the full exercise of the restored powers.

Miss Mamilton is known all over the continent (and indeed in pretty nearly the entire world) for her drugless treatment of fat reduction, and is a living example of its efficacy. Thousands of men and women shave experienced its beneficent effects, and many of them have fallen in love with the state from which their redemption has issued. During many months Miss Hamilton has been portraying the glories of the Rockies to her sisters, and her present plan, which promises the fruit of fulfilment, embodies some new and interesting features.

between meals and if the babe seems hungry give him a little beiled water in a nursing bottle, sometimes diluting the food with barley water is better than using plain water. For constipation add half a teaspoonful, or less, of milk of magnesia to the morning meal. Above all, don't worry about your baby—you can upset him more than you think. Eat good, nourishing food, drink plenty of water and get outdoors for exercise every day. If you take care of yourself and obey ordinary rules in the management of your baby you should both be perfectly healthy and happy.

GRIGG'S REPORT NEARLY READY
