## WE ARE AS FULL OF DEADLY POISONS AS A GERM LABORATORY.

"Fruit-a-tives" Absolutely Prevents This Dangerous Condition.

## AUTO-INTOXICATION OR SELF-POISONING

The chief cause of poor health is our neglect of the bowels. Waste matter, instead of passing from the lower intestine regularly every day, is allowed to remain there, generating poisons which are absorbed by the blood. In other words, a person who is habitually constipated, is poisoning himself. We know now that Auto-intoxication, due to non-action of the bowels, is directly responsible for serious Kidney and Bladder Troubles; that it upsets the Stomach, causes Indigestion, Loss of Appetite and Sleeplessness; that chronic Rheumatism, Gout, Pain in the Back, are relieved as soon as the bowels become regular; and that Pimples, Rash, Eczema, and other Skin Affections disappear when "Fruit-a-tives" are taken to correct Constipation.
