

DISEASES of the LIVER.

A person in health does not know he has such a thing as a liver, but when the system gives way to the ravages of disease he is made sensible that he really has a liver. After one has spent a couple of years in India *he knows there is a liver*, generally to his sorrow, for this organ is the mainspring of the human organization. When the liver becomes disordered and diseased, the person so afflicted is indeed miserable. He suffers with dull pains in the side, bad taste in the mouth, spots before the eyes, flushes of heat, irregularity of the bowels, piles, coated tongue, disordered stomach, heartburn, costiveness, and pain in the head. He frequently has a dry cough, high-coloured urine, yellow skin, and dull sleepy sensations, rendering him unfit for business or for employment. The hands and feet are cold, circulation of the blood sluggish; the patient suffers with vertigo, ringing in the ears, loss of appetite, nausea and sick headache, heartburn, dry scurvy skin, etc.

Mother Seigel's Curative Syrup acts moderately upon the bowels, so as to produce two or three easy passages a day, without any purging or griping. It does not leave constipation, as most of the ordinary blood purifiers in use do, but produces harmony in every part

of the system. The liver is invigorated to secrete healthy bile and to filter impurities from the blood by the use of this wonderful regulator and invigorator and all the disagreeable and painful sensations above mentioned are one by one removed as the blood is cleansed and renewed. The skin loses its sallow appearance, and the bloom of health and beauty takes the place of the haggard sallow hue of disease. *A dose of Mother Seigel's Curative Syrup or Shaker Extract of Roots, taken at night on going to bed, will, in a short time, give evidence of its purifying and cleansing properties by the brilliancy of the eye, the bloom of the complexion, and the vigour of the whole body.* A few doses of Seigel's Operating Pills will aid in effecting a cure.

RHEUMATISM.

Never before has there existed a remedy as unfailingly successful in rheumatic affections as Mother Seigel's Curative Syrup. It lubricates the joints, promotes the secretions of the fluids necessary to remove the stiffness of the muscles, removes hardened deposits in the joints, greases the machinery of Nature and makes it move easily. One or two bottles of Mother Seigel's Curative Syrup will do more than a
