PUBLIC AMUSEMENTS.

"Phasey's" New Ballet.

The new ballet introduced into the Exhibition spectacle, "The Evil Eye," by the celebrated "Phasey" girls this week has made an even more pronounced hit than their Scotch reels and flings which created such a sensation last week. The costuming of the ballet is superb and the ability of the eight English girls who are such a feature of the spectacle is well displayed in the dance arranged for them. Among the other strong attractions of the spectacle this week is the new electrical ballet, the tumbling of Rosaire and Elliott and the fun made by Al H. Wilson and his colleagues. There will be a matinee tomorrow afternoon and on Saturday.

Princess Theatre.

"Peaceful Valley," Sol Smith Russell's excellent comedy, is turning crowds away from the Princess Theatre both afternoon and evening, and the Cummings Stock Company are having the biggest success with this play that they have ever had. There is no question but what "Peaceful Valley" is one of the best comedies the theatre affords. Its pretty story of home life is one of appealing interest to everybody, and the play is certainly very well done by this very capable company. The audiences at every performance are treated at this theatre to a very good production, given by a clever company, at most reasonable prices of admission, and the crowds that go to the Princess are the best evidence of the popularity of the Cummings company in Canada. Nat Goodwin's famous comedy-drama, "A Gold Mine," is underlined for next week.

Matinee at the Grand To-Day.

"Shore Acres" will be given at a matinee at the Grand Opera House to-day. The engagement of this splendid play will conclude on Saturday night, and those who have not seen it should not fail to attend one of the six remaining performances. Another matinee will be given on Saturday.

Shea's New Theatre.

Shea's new theatre on Yonge-street had another good day's business yesterday, and at both afternoon and evening performances there were large and appreciative audiences. The show that is being provided is eligible to travel on its merits, and it is the best vaudeville program ever put on a stage in Toronto. The new theatre is a cool, well-lighted place, that is in itself inviting and comfortable. There is nothing in the performance throughout to offend anyone, and the actors deserve all the plaudits they receive. There are matinees every day, and at night the show is just the same.

Empire Music Hall.

The little Empire Theatre is still holding its own and the show this week is an up-to-date one. The first part is replete with catchy songs and dances. The olio is one round of pleasure, while the afterpiece is one of the best. Smoking is allowed, but an exhaust fan does away with the least semblance of a cloud.

Rev. Geroge Simpson of Chicago is visiting his son in Toronto.

The Prince Lacks a Wicket-Keeper

London, Sept. 5.—Prince Ranjitsinhji, the famous Indian cricket player, has almost completed his arrangements for his trip, and the team will sail on the White Star steamer Majestic September 13, returning to England in October. The team includes Messrs. A. C. MacLaren, C. L. Townsend, C. P. Fry, A. O. Jones, G. Brann and A. Priestly. Prince Ranjitsinhji's great difficulty is the question of a wicket keeper, neither Martin of Oxford University nor Taylor of Cambridge being as yet able to accept. Messrs. A. E. Stoddart and J. R. Mason have also been asked to go, but have not decided.

Little Chap and Trolley.

Four-year-old Johnny Dixon of Trefann-street was struck last night by motor car No. 462 on East Queen-street. The youngster was picked up on the fender and rolled off again. Motorman W. Murphy stopped the car when the child was within a short distance of the wheels. William F. Clarke picked the boy up and carried him home. He is suffering from some severe bruises.

Hit on the Head.

The police received word last night that a serious row was in progress at 70 Hayter-street, a house kept by James Bell. The fracas was over when an officer arrived, but Alex. Henry, one of the participants, was found suffering from several wounds on his head, evidently inflicted by a sharp instrument. Henry was sent to the Emergency Hospital.

About the first of next month Bristol Lodge, S.O.E., will remove their lodge headquarters from Shaftesbury Hall to the Arcade. The executive of the Sons of England have taken up office in the Arcade.

The moulders, cigar makers, bakers and other branches of trade made a very creditable showing in the Labor Day parade, but the elephant advertising Monsoon Indo-Ceylon tea was by far the best thing in its way in the parade. Thousands of samples were thrown out from the large package which occupied the elephant's back along the route of the procession.
