

One of our members urged the claims of Canning Street Congregation, and called attention to the extreme destitution of many of the families connected with it.

It was thought advisable to ask the Rev. Mr. Mackay to make an appeal from the pulpit for this object, as well as for Nazareth Street School. Several parcels were sent in answer to this appeal, which we would now beg to acknowledge.

Although ours has been a quiet and not a very extensive work, we trust those visited have been cheered in spirit, as well as materially aided; and we would remind those who have sought, in however small a degree, to speak a sympathetic word, or do a loving deed, that the Master says to such, "Inasmuch as ye have done it unto one of the least of these, my brethren, ye have done it unto Me."

SARAH J. MACMASTER,

Secretary-Treasurer.
