I guess this looks like trackside information. Why, boys, the Montreal poolrooms are almost up in the air. The above were positively the only horses sent out, and I will forfeit \$1000 to anyone who can show that I gave out any other horse on the same dates. I believe in honesty.

The biggest killing that ever took place at a racetrack will take place at Jacksonville on Monday, when our long-shot sleeper will be let loose. Boys, I can't make my language strong enough to impress upon you the confidence I have inspired in this great trick. He simply will have to drop dead to be beaten.
