## Is There Music in Your Cottage, Camp, or Home?

If not-you'll surely be interested in such machines and instruments as these, that provide the best of summer entertainment at small cost.

This Outfit as Illustrated-Complete for \$13,00

There's No Need for any summer cottage, tent or camp to be without musical entertainment when such an outfit as this is offered

The machine is called the Wonderphone and it plays with surprising clearness. It is well constructed and has a noiseless motor that can be wound up while machine is running.

You have choice of any five 10-inch double Columbia records (this means 10 selections), and included are 600 steel needles in a box.

Shipped to any railway station in Ontario without extra charge.

The Conqueror is a splendid machine for outdoor use, being made of all metal that is unaffected by dampness or heat and that will withstand a lot of knocking about. It has a good, clear tone, and will play any size record. An ideal machine for the canoe trip or camp. Price ...... 15.00

600 Needles for 25c

The Diamond E Brand Needles, made of English steel, are recommended for general use on all disc records and machines. 600 

The Mandolin Is the Ideal Summer Instrument

The Mandolin is probably appreciated more in the summer time than at any other season. It is so admirably adapted to the out-of-doors with its lively tingle and sweet tone. It's an instrument that can be conveniently played standing, sitting, squatting or lying. The ordinary models, similar to the one illustrated, are priced at \$3.50

\$5.00, \$7.00 and ...... 10.00 Ask to see the new flat back mandolins. They have somewhat of a different tune to the mandolin that is finding much favor among musicians. Priced at \$5.00, \$7.50 and ...... 15.00

The Beautiful Music of the Autoharp

Without practically any knowledge of music anyone may play splendid accompaniment on the autoharp, together with the viomandolin or mouth organ.

They are in two sizes. The 5 bar harp at \$2.75, and the 10

STORE CLOSES SATURDAY AT ONE P.M. NO NOON DELIVERY

This Folding Portable Organ \$35.00

When darkness and silence pervades the camp surroundings, how cheerful it is when in the glow of the camp fire, the musician of the crowd strikes up some of the popular songs and instrumentals to the delight of everyone present! The organ illustrated is very compact; it folds into a suitcase shape with handles for conveniently carrying, and it weighs but 20 lbs. It provides a splendid substitute for the piano, answering the purpose almost as well, and at a very much lower cost.

or tent or for the verandah it home. We will carefully tack and ship it to any railway station in Ontario without extra charge. Ask le instrument played. You'll be surprised at its clear musical tone and large volume of sould. By buying and selling for ash we are able to make very good terms with the manufacturer and have liminated all agents' and ollectors' fees, so that the price you pay for this organ is almost at the cost of manufacture, with a small EATON profit added

## WONDERFUL FEAT OF ENGINEERING

Two Hundred Thousand Dollars of Underground Work at Camp Borden.

IN FIVE WEEKS

Construction of Greatest Military Camp Will Be Completed.

By Staff Reporter.
CAMP BORDEN, July 18.—Colonel "Bob" Low, officer in charge of the construction of the camp, stated today that inside of five weeks the building of Camp Borden will be finished. He pointed out that \$200,000 of work underground and out of sight is a part of the great engineering undertaking. During the past two months so much progress has been made that from now progress has been made that from now on he will be able to let his construction men work 12 hours a day, in-stead of 18, as formerly.

To Major Barrie, chief engineer in charge of construction work, much

praise is due for the speedy and effi-cient manner in which he has conductoperations. Mrs. Low. wife of Col. Bob" Low present the colors to the 4th Pio heer Battalion at St. Andrew's. N.B. on Thursday of this week. Col. Low

will also be present. Lt.-Col. G. H. Williams, chief chap-

or games, reading, writing and con- grounds.

Certs.

Others of the London district battalions here have received promotions as follows: Capt. F. H. Fisher, L. H. Ingram H. R. Sawyer are now majors. Lieut. W. W. Brocker to be vaptain. Litue. Mulloy appointed secut officer. Capt. J. H. Warburton, Capt. A. G. Fraser and Lieut. H. C. Duffers to be the school of the second majors. Lieut. Warburton, Capt. A. G. Fraser and Lieut. H. C. Duffers the best formulation of the second majors. Lieut. Warburton, Capt. A. G. Fraser and Lieut. H. C. Duffers the best formulation of the second majors. Lieut. Warburton, Capt. A. G. Fraser and Lieut. H. C. Duffers the best formulation of the second majors. Lieut. Warburton, Capt. A. G. Fraser and Lieut. H. C. Duffers Received today from various units as medically unfit. The construction camp is announced today as "being out of bounds to all troops except on special duty and any soldiers from various units as medically unfit.

Thirty-one soldiers were discharged today from various units as medically unfit.

No More Bugle Calls.

There are to be no more unauthorized bugle calls. The sounding of such during the day or night is scored as Under direction of Major Vincent
Massey the School of Musketry opened
in camp today. The Ross rifle is being used.

The grounds of the School of Trench
The grounds of the grounds of the School of Trench
The gro Inoculation and vaccination of troops commenced on July 13. The schedule will extend to August 3. The 114th, 201st, 176th, 186th and 228th Battalions are on the schedule.

Away Without Pass.
The parade states for today of all battalions in camp show 27,555 men on the grounds, 2094 on leave and musketry training is to "take precedence over all other parades unless otherwise ordered by district head-quarters." Also that "troops detailed for musketry are to be struck off ail other duties; every man to be present unless absolutely unavoidable."

Abombing Instructions.

Instructions regarding "bombing" issued today call for one officer and 50 other ranks from each battalion receiving special training for two weeks at the district school. Every man will have a three days' course in 1501 on leave without pass.

much to eliminate it. The best thing to do is to arrive at the best means

of treating it."
Regulate Drinking. At a conference today attended all medical officers it was decided to have a medical officer for the day ap pointed hereafter by each brigade, in-stead of having one for the whole camp. During the past few days the number of men ill thru heat and dust has diminished. Today warm, being 94 in the shade. medical staff is considering giving platoon commanders power to regu-late the times that soldiers may drink water during drills. It is said to be dangerous to permit soldiers to drink much water either just before or during drills.

Lieut.-Col T. H. Lennox of the 208th Irish Bastalion, with Lieut. James Donovan, adjutant, and the brass and bugle bands, leave in the morning for Jackson's Point picnic.
