

30159-29

Ottawa. Jan. 23rd. 1936.

Sir:-

On December 11th. last a letter was sent to your predecessor in office asking him to secure from the Alberni Pacific Lbr. Co. a certified statement that they had completed the cutting of timber on the Kley-kley-house Reserve, and from the District Forester, a certificate that no undue fire hazard had been created on the reserve.

As no further action has been taken, which will enable the Department to close the transaction on the records here, will you kindly attend to this matter as soon as possible.

Yours very truly

A. F. MacKenzie
