and Many Attend Sub-
urban Attractions.

The splendid weather of Saturday and Sunday continued yesterday and induced every person in St. John who could possibly do so to take another day off and enjoy the many attractions in and near the city. Hundreds of strangers came to town by railroad, steamers and motor cars to see the exhibition, and many others attended the horse races at Moose-
ville, the rowing races at Renforth, the baseball games, the swimming events and other attractions, including the theatres. The children in particular thoroughly enjoyed the beautifully balmy day, most of the juveniles St. John remaining out of doors from early morning until dark, except a meal time. The railroads were patronized almost to the limit, and automobiles not engaged were difficult to find. Several motor parties came in from out-of-town and places beyond. The hotel accommodations were taken up early and cant beds were not to be had after certain hour in several public houses. The flight of an aeroplane over the exhibition grounds was one of the attractions which could be seen from all parts of the city and was a good drawing card the big show.

ST. PETER'S TAKES THREE OUT OF 4

In four games with the fast Crescents of Halifax, the St. Peter's baseball team took three, thus establishing their superiority over Nova Scotia's premier baseball aggregation. Two games were played on Saturday and two yesterday. The game Saturday afternoon was won by the Halifax team after eleven innings had been fought out by a score of 7 to 3 and was the only game dropped by the locals. Campagna, the Crescents star twirler, was on the mound and was only touched for five hits while the visitors got ten off the delivery of Corvee. The Crescents scored one run in the first frame. Kelly walked but was caught stealing. Phelan got a life on O'Regan's error. McLellan singled, but was caught off first as Phelan went to third. Campagna singled through the box, scoring Phelan. Hatt fanned. The game then developed into a pitchers' contest, the visiting pitcher being helped out of tight places by double plays by his team mates in the third and fifth innings. There was no further scoring until the seventh when the Crescents got another tally. Whelan walked, Conrod fanned, Levy was safe on error and the bases were full when Ferguson laid down a nice hit. Kelly forced Whelan at the plate, but Corvee, by walking Phelan, forced in a run. McLellan flied out to Milan, retiring the side. In their half the Saints opened up and got two tallies. With one down O'Regan got a life on Phelan's bad throw. He stole and went to third on Callaghan's

fast work on Milan's part. Ferguson went to second on Corvee's bad throw of his grounder to first. Kelly got a life on error and Phelan laid down a bunt scoring Ferguson.

This ended the scoring until the eleventh when the visitors got four. Levy doubled to center and went to third on Ferguson's infield out. Kelly walked and stole second. Phelan hit through Callaghan in center field and circled the bases, bringing in Levy and Kelly ahead of him. McLellan doubled to right and went to third while Campagna was thrown out by Mooney. McLellan scored when Gibbon fumbled Hatt's grounder. Whelan grounded out. The Saints could not score in their half and the game went to the visitors.

In the evening Kirkpatrick held the visitors to three hits while his team mates getting fifteen off Elliott and had no trouble in winning by a score of 10 to 0. Several errors on the visitors part helped the locals while the St. Peter's played an errorless game.

On Monday morning Campagna again pitched for the Crescents and was touched for twelve hits while the best visitors could do with King's delivery was six singles. The visitors again had considerable errors which helped the locals win by a score of 12 to 5.

In the afternoon Elliott and Kirkpatrick again faced each other and while both teams played rather a loose game St. Peter's outbatted the Crescents and won by a score of 9 to 4.

Winnipeg, Man., Sept. 7.—The Clarendon office block, which has occupied for many years one of the most valuable business corners in Portage avenue, has been torn down and is being replaced by a modern business block. FRIENDS' ADVICE MADE MAN OF HIM SAYS NOEL

Was About All in When
They Urged Him to Take
Tanlac — Feels Like Old
Time Self Now.

"Yes sir, I'm only too glad to tell you what I think about Tanlac. This is the fourth bottle I have bought, and if it wasn't doing me good I wouldn't be wasting my time on it."

The above statement was made recently by Charles Noel, of 31 Meadow street, St. John (N. B.). Mr. Noel, who was three years in France with the Fifth Canadian Siege Battery and saw considerable fighting, is now in the employ of the Canadian National Railway.

"When I returned from overseas, my digestion was so upset I couldn't eat a thing scarcely without suffering the worst kind of distress and pain afterwards. After every meal I had a heavy feeling like I had swallowed a lump of lead, and my food would sour and blast me up till I was in perfect misery and the pains in the pit of my stomach were awful. I also had such pains in the back I could hardly get around and could sleep so little on this account I often

heard the clock strike every hour of the night. I was tired and weary all the time and in fact became so run down I was just about all in when I started on Tanlac.

"When my friends saw what a terrible shape I was in they urged me to try Tanlac, and I'm mighty glad I took their advice for it has made a new man of me. By the time I had taken two bottles my stomach was in fine condition and I could eat anything I wanted and never suffer the least ill-effects. I have gained ten pounds in weight and am so much stronger I can do as much work in one day as I used to be able to do in two. I am no longer bothered with pains in the back, I sleep like a log all night, and get up in the mornings feeling ready for work. Folks tell me how well I am looking now and I can honestly say I never felt better in my life. Tanlac is certainly one fine medicine and I'm glad of this chance to tell others about what it did for me."

Tanlac is sold in St. John by the Ross Drug Company and F. W. Munro; by G. W. McKay, Beaver Harbor; Willard J. Colwell, Evans; C. V. Parsons, High-land; John F. Meagher, Debec; O. D. Hanson, Lepreau; E. L. Cohley, Leonardville; N. H. Johnson, Clarendon Station, and by the leading druggists in every town.—(Adv.)
