Interesting Services In Churches on Sunday

Memorial Tablets Dedicated at St. Luke's and Stone Churches—Scout Colors Consecrated—Exchange of Pulpits.

A memorial service of great solemnity and impressiveness was held in St. Luke's church yesterday morning when a tablet was unveiled by the church wardens, James E. Scott and George L. Warwick commemorating all the men and women of the church who served in the great war. The service was conducted by Rev. Canon G. A. Kurling and the tablet was dedicated by His Lordship Bishop Richardson who also preached the sermon. After the flag had been drawn from the tablet the Bishop read the names of the sixteen who died on service. The Bishop read the dedication service and the collection of All Saints Day after which he read from the text "His Memorial is as a Scented Incense" and played some beautiful voluntaries while the full choir led the singing. DeWitt Carling sang Kipling's "Recessional" during the offertory and the closing hymn was "O King of Kings Whose Reign is Old".

The lettering of the tablet in Stone church is beautifully executed. Most of the letters are black but some are colored a deep red. The effect of the tablet is very fine. The inscription is as follows: (The cross being placed before the names of those killed in service):

1914-1918.

"We Bless Thy Holy Name for These
Thy Servants Who Gave Their
Lives for a Great Cause."

At St. Luke's church yesterday morning a tablet commemorating the twenty-five men of the congregation who laid down their lives in the great war was unveiled by Lieut. Colonel W. H. Harrison. The service was conducted by Rev. R. P. McKim, assisted by Rev. E. P. Wright. After Colonel Harrison had paid a tribute to the men who had fallen, Rev. Mr. McKim gave a short address. On behalf of the church wardens and vestrymen W. F. Cronk asked Colonel Harrison to unveil the tablet and H. G. Harrison asked Rev. Mr. McKim to dedicate it. Drawing the cord which dropped the flag from the tablet Colonel Harrison said, "I unveil this tablet" and quoted the opening lines from the tablet, the inscription of which is as follows:

"In grateful memory of the men of St. Luke's church who fought and won in the great war and counted not their lives dear to them unto the death: Roy William Anderson, Edward Bradley, Gerard Russell Craigie, Charles Damery, William Davis, Frank Haws Elliott, Walter Henry Glass, Stephen Howes, Joseph Arthur Howes, William Hudson, Edward James, James James, Robin Louis Johnston, King Kerr, Charles Eugene McLaughlin, Thomas Armstrong MacMurray, Douglas Tudor Mowry, Alfred Nichols, Hubert William Pescocle Berton, Frederic Stewart Ramsey, David William Ramsey, Herbert William Robinson, William James Seymour, James Woodford Waters. "Quit you like men, be strong." The tablet is of dull bronze with raised and burnished lettering.

After singing the National Anthem Mr. McKim read the dedicatory prayer which was followed by the "Dead March" and the bugler sounded "The Last Post."

The Second Coming.

The second coming of Christ was the subject of a discourse delivered by Rev. Dr. David Hutchinson in the Methodist street Baptist church and he took for his text "I go to prepare a place for you and if I go and prepare a place for you I will come again and receive you unto me that where I am there ye may be also." Dr. Hutchinson's interpretation of the scripture is that the coming will be soon and the indications of the time point to his coming at a not far distant date. The post-millennialists believe that he will not come until the whole world has been Christianized while the pre-millennialists believe that

This Is Better Than Laxatives

One NR Tablet Each Night For a Week
Will Correct Your Constipation and
Make Constant Dosing Unnecessary. Try It.

Poor digestion and assimilation mean poorly nourished body and low vitality. Poor elimination means clogged bowels, fermentation, putrefaction and the formation of poisonous gases which are absorbed by the blood and carried through the body. The result is weakness, headaches, dizziness, coated tongue, inactive liver, bilious attacks, loss of energy, nervousness, poor appetite, impoverished blood, slow complexion, pimples, skin disease, and often times serious illness. Ordinary laxatives, purges and cathartics—salts, oils, calomel and the like—may relieve for a few hours, but real, lasting benefit can only come through use of medicine that tones up and strengthens the digestive as well as the eliminative organs. Get a 25c. box of Nature's Remedy (NR Tablets) and take one tablet each night for a week. Relief will follow the very first dose, but few days will elapse before you feel and realize the fullest benefit. When you get straightened out and feel just right again you need not take medicine every day—an occasional NR Tablet will then keep your system in good condition and you will always feel your best. Remember, Nature's Remedy (NR Tablets) are sold, guaranteed and recommended by your druggist.

How To Revitalize Wornout Exhausted Nerves

Your nerve power depends on plenty of good, rich, red blood of the kind that organic iron—Nuxated Iron—helps make. Nuxated Iron is like the iron in your blood and like the iron in spinach, lentils and apples, while metallic iron is iron just as it comes from the action of strong acids on iron filings. Nuxated Iron does not injure the teeth nor upset the stomach; it is an entirely different thing from ordinary metallic iron. It quickly helps make rich, red blood, revitalize wornout, exhausted nerves and give you new strength and energy. Over 4,000,000 people annually are using it. Beware of substitutes! Always insist upon having genuine organic iron—Nuxated Iron. Look for the letters N. I. on every tablet. Sold by all druggists.

tist church was the preacher in the morning and Rev. Isaac Brindley of the Tabernacle church was the preacher at the evening service. Rev. J. H. Jenner of Charlotte Street Baptist church conducted the morning service in the Tabernacle church and Rev. Dr. Purdy of Truro, delivered the sermon in the evening. In Germain Street Baptist church Rev. F. H. Bone of the Central Baptist church conducted the morning service. Rev. G. D. Hudson of Victoria street was heard in Charlotte street church. Rev. George M. Young of Fredericton, president of the Methodist Conference of New Brunswick and P. E. Island, conducted the services in Portland Methodist church yesterday, exchanging pulpits with the pastor, Rev. Harry B. Clark, who was the preacher in the Fredericton church.

His Lordship Bishop Richardson, who presided at the memorial service in St. John (Stone) church in the morning, spoke again in Trinity church, in the evening.

Rev. V. M. Purdy of Truro, was the preacher in Knox Presbyterian church at the morning service.

Scout's Colors Consecrated.

A very pretty and imposing service took place at the Mission Church of St. John Baptist, Paradise Row, at 11 o'clock yesterday just before the beginning of the high celebration of the Holy Eucharist, when the colors of the Boy Scouts troop of the church and the Union Jack were solemnly consecrated at the high altar by the priest in charge, Rev. Fr. John V. Young, the celebrant. Following the procession of crucifers, chorists and preacher up the centre aisle of the church were the Boy Scouts in uniform. During the short service of consecration the scouts took up a position within the choir. The colors were solemnly placed on the altar by Father Young and the ceremony was concluded by the elevation of the colors beneath the rood screen, the scouts passing between them to seats in the body of the church. An able sermon on the significance of the consecration ceremony and on the great value of the Boy Scouts organization to the church, to the empire, particularly during the Great war and to boys everywhere was preached by Rev. Herbert E. Bennett, assistant priest. There was a large number of young people in the congregation.

Pastor's Anniversary.

In Charlotte street Baptist church last night a quarter of an hour song service preceded the regular service and the church was filled with a congregation that greatly appreciated the opportunity to join in singing the familiar hymns and to listen to the solos by Miss Frances Lanyon and Miss Nichols, as well as the trio given by Mrs. Leslie Hayes, Myles Traft and Mrs. Captain Weldon. The song service was conducted by the organist, Stanley Stout. He also presided at the anniversary of the appointment of Rev. J. H. Jenner to the charge and in his sermon Mr. Jenner reviewed the progress of the church during those years. He told of the sixty-five additional members and of the improvements made in church property. During the five years since the vestry had been renovated, three new rooms built of concrete had been added to the Sunday school accommodation, an entirely new heating system had been installed and a new pipe organ and new blower had been purchased and placed in position.

An Hour of Song.

The sing-song in the school room of St. David's church after the evening service was the gathering place for a big and friendly assemblage last night. Robert Reid was the chairman and Mrs. J. Milton Barnes presided at the piano. Besides the general sing-song in which all entered heartily, F. J. Punter and his son sang a pleasing duet, Miss Phyllis McGowan and Miss Jessie Jamieson rendered a duet with much feeling and Mr. Punter sang a solo most acceptably. Social intercourse and friendly greeting followed the sing-song and prolonged the enjoyment.

AUSTRIAN ARCHDUKE
LOOKING FOR A JOB

Berlin, Nov. 12.—Archduke Leopold Ferdinand, who would be next in line for the Austrian throne should Otto, eldest son of Emperor Charles, die, is looking for a job. He speaks six languages fluently, including English, and because of that, in a letter to an American here, thinks he would be well qualified as head porter in a hotel, or as a valet or chauffeur or travelling companion. He is modest in appraising his own value, but thinks that he ought to be worth a minimum of five dollars a day to some one.

1 Pill a Laxative
2 Pills a Cathartic
3 Pills a Purgative,
This is the Way Milburn's
Laxa-Liver Pills Work

You will never use any of the old gripped, nauseating, sickening, purging pills, containing as they do calomel and other drastic mineral ingredients, once you use Milburn's Laxa-Liver, a pill that is purely vegetable.

Owing to the great care used in procuring the highest grade of drugs from which they are manufactured, they are as near perfect as it is possible to get a laxative remedy.

They work gently and effectively, without a gripe or pain. If you are troubled with constipation, biliousness; driven to distraction with sick headaches; if your tongue is coated, your breath bad, your complexion muddy, your eyes yellow, have floating specks before the eyes, jaundice, itching, bleeding or protruding piles, stir up your sluggish liver with a few doses of Milburn's Laxa-Liver Pills.

Mrs. Roy Mackie, Orillia, Ont., writes: "I desire to express my thanks for the relief I have had by using Milburn's Laxa-Liver Pills. I had been suffering for some time with constipation and bad headaches. I tried all sorts of cures, which did me no good, until I was advised to try your pills. I got great relief after taking only a few doses."
