NEW HONORS WON BY CANADIANS

Have Driven Wedge 15 Miles
Into Enemy Territory

A NOTABLE ACHIEVEMENT

Dash and Gallantry of Dominion
Troops Win Universal Praise
—Capture of Troop Train With
27 Officers and 500 Men

Ottawa, Aug. 18.—The following de-
spatch from overseas was received here
tonight:

"The sixth day of the battle finds the
Canadians penetrating into the German
lines to a depth of fifteen miles from
their starting point, with brisker fighting
in progress and the enemy resistance
stiffening. The entire situation is en-
couraging, the Canadians are nullifying
the counter-attacks and pressing ahead.
Prisoners unanimously admit the mar-
velous success of the surprise effect of the
whole Canadian operation.

The Canadian corps participated in
the most notable combined co-operative
effort of all arms of the service, in-
fantry, artillery, motor machine guns,
cavalry, tanks and aeroplanes—in the his-
tory of the war. There was perfect har-
mony throughout. The success is an out-
standing tribute to the staff work and
organization.

One hour and forty minutes after zero,
the Canadian field guns had dashed for-
ward and were in action two miles be-
yond the German front lines. The dash
and gallantry of the Canadian infantry
in overcoming the perfect sleet of machine
gun fire is universally praised. The Cana-
dian cavalry unit captured an enemy
troop train containing twenty-seven of-
ficers and 500 men just as their detain-
ment was commenced.

Accounts of the spectacular course of
individual officers and men are being
recounted by hundreds.

GREATER VOICE FOR DOMINIONS IN WAR

London, Aug. 19.—The government an-
nounces that it has been decided to grant
each dominion the right to send a min-
ister to London as a member of the im-
perial war cabinet at meetings other
than those attended by the prime min-
isters. India also will be represented.

The prime ministers of the dominions
have been given the privilege of com-
municating direct with the British prime
minister instead of through the govern-
ment or colonial secretary, as at
present. This is looked upon as a step
toward giving the dominions a greater
voice in the war and in simplifying
communication.
