LONDON & HARTFORD.

Have appointed

Sole Agent for the sale of their  
CELEBRATED PERFECTED  
SPECTACLES.

Which have been extensively used in the New  
England States, the past eight years, and for  
which they claim the unimpeachable advan-  
tages over those in ordinary use, the proof of which  
may be seen in their constantly increasing busi-  
ness during a residence in Hartford of 8 years.

1st. That from the perfect construction of the  
lenses, they assist and preserve the sight, rendering  
frequent changes unnecessary.

2d. That they confer a brilliancy and distinct-  
ness of vision, which the ordinary spectacles can  
not be obtained by any other means.

3d. That the material from which the Lenses  
are ground is manufactured specially for optical  
purposes, and is pure hard and brilliant, and not  
liable to become scratched.

4th. That the frames in which they are set  
whether gold, silver or steel, are of the finest qua-  
lity and finish, and guaranteed perfect in every  
respect.

They are the only spectacles that  
PRESERVE AS WELL AS ASSIST THE  
SIGHT.

And are cheapest, because the best, always last-  
ing many years without change being necessary.  
One of the firms will visit St. Andrews, at  
the Store of their Agent, every four months, for

the interval will be exchanged free of charge if  
not properly fitted.
