

PREFACE.

In submitting the Directory of the Counties of Leeds, Grenville, Lanark and Renfrew, to its numerous patrons and the public generally, the publisher is desirous of returning his sincere thanks to the community for the uniform courtesy which was extended to his agents and himself during the canvass, and also for the very liberal support which he has received. The correct compilation of a work of this kind, even if it be no larger than the present one, is a matter of no small difficulty, for errors, both of omission and commission, will take place, nor will the utmost vigilance prevent their occurrence. Perfection, so hard of attainment, in any branch of industry, is particularly so in the publication of Directories. Of course it is not claimed in the present case, but as every effort, which time and opportunity would permit, has been made to ensure that exact precision which is so much to be desired, it is hoped, nay, confidently believed, that the general accuracy of this work cannot be questioned.

O. L. FULLER,

Publisher.
