

LEGEND - LÉGENDE

Table with two columns: English and French descriptions of map features, and their corresponding symbols. Categories include Roads and Related Features, Landmark Features, Boundaries and Control, Drainage and Related Features, and Relief Features.

Grid zone designation table showing UTM grid coordinates (e.g., 53E/11, 53E/10, 53E/9) and their corresponding grid zone designations (UK, UKK).

Technical diagrams and text explaining the grid system, including a 'METHOD OF USE' diagram and a 'REFERENCE POINT' diagram. It provides instructions on how to read and use the grid coordinates.

Conversion scale for elevations, showing a scale from 0 to 300 meters and 0 to 1000 feet.
