

DEBS AND HIS MEN

Sent to Jail in Chicago in Default of Bail.

President of the A. R. U. Apparently Happy—Dastardly Attempt at Train Wrecking.

Debs Endorsed as a Candidate for Governor of Indiana.

POND CREEK, O. T., July 17.—Troop A, United States cavalry, of Fort Reno, under command of Capt. J. O. MacKey, which has been detailed to guard the Rock Island road, mixed death at the hands of the Pond Creek train wreckers at 1 o'clock this morning by less than two hundred feet. Two explosions of dynamite occurred within two hundred yards at the southern outskirts of the city immediately after the special train carrying the troops from Bald to Pond Creek station had passed. One of the shots exploded immediately under the train, but did no damage, but the other blew out a cattle guard and shattered the rails and would have completely demolished the train had it exploded a few seconds earlier. The wreckers were decidedly bold. The night with a full moon was as clear as day, and the dynamites touched off their shots in full view of the train, when so close that it could not be stopped until it had crossed the spots. The cattle guard was replaced and the trains moved regularly this morning.

CHICAGO, July 17.—Eugene V. Debs, George W. Howard, L. W. Rogers and Sylvester Kelher, the officers of the A. R. U., were committed to jail today by Judge Seaman, in the United States circuit court, for violation of the injunction issued by Judges Wood and Grosscup. The four leaders of the strike in reality went to jail in default of bail, for the court offered them their liberty until next Monday, when they will have a hearing on the charge of contempt. Their bail was fixed at \$3,000 but the men refused to give it, and the court committed them.

Debs and his companions were taken to jail, but before they left the court room Judge Seaman instructed the marshal to take them out of the jail at any reasonable time in order that they may have an opportunity to consult their attorneys.

This morning District Attorney Milohrist filed an information in court charging the officers of the union with violating the injunction and asked for a writ of attachment for contempt. It was not necessary to issue a writ for Debs, for he was in court when the information was filed. When the injunction was issued by Judges Grosscup and Woods the usual chancery summons was issued, and the names named in the injunction were directed to appear in court yesterday to answer. That was what brought Debs into court with the attorneys who have been retained to defend him and his brother officers. The information was read to the court by District Attorney Milohrist.

When Mr. Milohrist had finished the reading of the information, Attorney George E. Peck, representing the receivers of the Santa Fe system, took the floor and read a petition for writs of attachment against the defendants on the behalf of the railroad. The petition asked that the defendants be punished for violating the order appointing the receivers, as well as for violating the general injunction as it applies to the Santa Fe. A number of acts of violence were alleged and interference with trains.

The formal proceedings began at 2 o'clock, when Attorney Irvin, for the defendants, asked that they be released on their personal recognizance. Judge Seaman finally decided to set the case for next Monday and fixed bail at \$3,000 each. The four men made no attempt to furnish bail and were committed to jail until Monday.

The attorneys for the defendants said his clients could not get bail, but Debs did not corroborate that when asked if he would give bail. He said he would not give bail. A telegram was produced in court, sent by Debs on July 7 to North Battle, Mont., as follows:

General managers are weakening. If this strike is not settled in forty-eight hours complete paralysis will be the result. The men are out of sight. Save your money and buy a gun.

ESID, July 18.—The way of the rock and bomb along the Rock Island road in the Cherokee strip continues, the burning of a foot bridge one mile north of Waukon station shortly after midnight last night being the latest outrage. The bridge was burned just after the passage of a passenger train going south, and was completely destroyed. The passenger trains were transferred to the burning bridge today. The railroad company has abandoned freight traffic. Another company of United States troops from Fort Leavenworth will arrive here this evening. Mayor Frank of Fond Creek has received this message from Acting Governor Lowe in reply to his request for territorial and federal aid to enforce the city ordinance regarding the stopping of trains Sunday:

"I have requested the Rock Island railroad company and its attorneys and the president to obey your ordinance through out request. I hope a mandate will be issued to the company to stop in accordance with your ordinance would be granted."

GUTHRIE, Ok., July 18.—Acting Governor Lowe has ordered the militia at once to Bold and Round pond. There is but one company of twenty-one boys, none over twenty-five years of age, who never shot a gun and was just organized last week. There is consternation in their ranks at the idea of active service. The tension of Debs grows worse and the people seem to have no respect for the regulars, who have no power to shoot.

INDIANAPOLIS, July 18.—Daniel McKillip, one of the coal miners arrested at Fontana last Thursday by U. S. Marshal Hawkins on charge of violating the federal court restraining order by interfering with the movements of trains on the Big Four, pleaded guilty before Judge Baker in the U. S. court today. The federal officers here believe that McKillip knows more about the affair than has yet been told.

AUSTIN, Texas, July 18.—Gov. Hogg was presented with a gold watch this morning, by the officers of the state militia, and in response he took a gloomy view of the future. He predicted that within six weeks martial law would be declared in California, Kansas, Colorado and Illinois, and that the anarchists of Chicago would use dynamite and "battering the lofty buildings of the city with the blood of citizens." He alluded to the Cleveland and Cleveland and his having ordered out the troops, and Judge Coolidge's letter commending the acts, saying that he felt humiliated over it. It was a dangerous invasion of state rights, which had not been done for one hundred years. The governor predicted a great revolution soon, and possibly dismemberment of the republic unless a foreign war divers the attention from international dissatisfaction.

DANVILLE, Ill., July 18.—The last two companies of militia here have been sent

home. The C. and E. L. shops have started up with new men and it is said, but few of the old ones will be taken back. C. and E. L. engineers and firemen in large numbers make applications for positions today. CHICAGO, July 18.—Messrs. Debs, Howard, Rogers and Kelher were brought from the county jail at three o'clock this afternoon to Commissioner Herne's office today by Marshal Arnold for the purpose of consulting with their attorneys, who again insisted on their giving bail, but the prisoners declined. Debs' wife and sister called to see the prisoner. In a conversation Mr. Debs said: "We are getting along very nicely, and like it, because we meet so many people of different classes of society. I think the strike will ultimately have a very beneficial effect on the country. Because of my situation now I don't wish to discuss the outlook of the strike. I have received several letters of congratulation and contribution, one containing a check for \$500."

WASHINGTON, July 18.—Representative Phillips of Pennsylvania has introduced a bill for a non-partisan commission to collect information and consider and recommend legislation to meet the problems presented by labor, agriculture and capital. It provides for the appointment of a commission of a commission of five representatives of labor, five of agriculture and five of commerce, each division to choose two more members and to appoint a lawyer. The majority of the commission shall not belong to one political party; its members shall be elected at \$5,000 a year and its life shall not be longer than two years. The bill provides that the commission shall investigate questions pertaining to immigration, receive and hold public hearings on the representations of various interests.

CHICAGO, July 18.—At eight o'clock tonight Gen. Miles appended his signature to the general order removing the federal troops from Chicago. The infantry will take trains for their posts and the cavalry and artillery will march to Fort Sheridan and remain there until such times as Gen. Miles thinks it best that they be sent to their posts.

The order for breaking camp came from the department, after General Miles had informed the department that he thought the situation had so far improved that it was perfectly safe to withdraw them from the city. The cavalry and artillery will be taken as soon as possible. The troops from the east will return to their old stations.

SPRINGFIELD, Ill., July 18.—Tonight Adjutant General Orenkoff issued an order directing the entire second brigade, Illinois state troops, and the first battalion of militia, on duty at Chicago, to proceed to their homes at once, using special trains.

SAN FRANCISCO, Cal., July 18.—The preliminary examination of Eugene V. Debs and the strikers, who are accused of murder in having wrecked a train and caused the death of a woman, began at 10 o'clock this afternoon.

MEMPHIS, Tenn., July 18.—At a mass meeting of switchmen today resolutions were adopted declaring the strike off at this point as far as they are concerned. The local officers of the A. R. U. were denounced for the manner in which they managed the strike.

LOS ANGELES, Cal., July 18.—Judge Ross today sentenced John Howard and Eugene Martin Kelly, guilty of contempt of court for violating his injunction at Barstow, to eight months each in jail.

CHATHAM, July 17.—Another of Chatham's most estimable ladies, Mrs. George B. Fraser, died this evening after an illness of about two weeks. Deceased was the daughter of the late Dr. Jack of Fredericton and had been a resident of this town for about 15 years. She was a lady of most exemplary Christian character, forward in every good work and of extremely charitable nature. She leaves a family of eight children, the youngest only two weeks old. The sympathies of all classes go out to the sorrowing husband and bereaved family and friends.

The garden party at the grounds of Hon. L. J. Twiss was a great success; the day was beautiful, almost too warm, but the ice cream vendors did not think so. There was a large attendance, and the St. Andrew's church congregation, in whose interest it has every reason to be thankful for the amount realized.

WEDDED IN LONDON.

Marriage of Miss Sara Hamilton Taylor,

Daughter of the Late J. S. Taylor of Liverpool, a Gentleman Well Known in St. John.

(Middlesex Courier, June 29th.)

The recollection of the much-loved late Dr. Taylor no doubt was the cause of the great interest centered in the marriage of Miss Taylor on Wednesday last, at the parish church of Willesden, and the crowd of spectators who thronged the precincts of both the church and house were evidently congregated there out of respect to one whose memory will ever remain green in the minds of all who live in or around the neighborhood of Willesden. Amid a beautiful day, lit by a sun, the hot rays were tempered by a cooling breeze, nature seemed all loveliness, and bright smiles and cheerful faces were the order of the day. It happened on this day in a girl's life in any criterion of what the life is to be in the years to come, then many of the budding womanhood of England might well envy Miss Taylor, who, bright and cheerful auspices were, we feel sure, but an opening to what is to follow in her future life. The marriage was fixed for two o'clock, and punctual to the hour, the bride, Miss Taylor, only daughter of the late Dr. Taylor of Liverpool, passed up to the chancel steps, where the bridegroom, Robert James Twyford, eldest son of the late Thomas Twyford of Biddulph, Staffordshire, was awaiting his future wife. The interior of the church at this spot presented a beautiful appearance for here the artistic hand of Mr. Hudson, florist, of the High Road, Willesden, had by means of four 12 ft. high Katis, hydrangeas, Lillium auratum, color, Pearl of tremula and, and species, gladiolus, marguerites, and fuchsias literally transformed this interesting part of the church into a garden of blooming radiance in which it was rich with hues, which seemed to vie with each other in lovely competition for favor. Amidst this scene the bride, attended by her five maidens, who had chosen to be bridesmaids, and the bridesmaids, who were given away by Dr. Brookfield, wore a lovely white satin costume, trimmed with the boldest with real orange blossom, this trimming being carried by the bride on her left shoulder, terminating in an up-standing bunch of flowers. The skirt was trimmed with a wreath of orange-blossom and a center train of cream ribbon, and attached. Over a wreath of blossom in her hair was thrown a tulle lace veil, her only ornament being an exquisite diamond star, the gift of her bridegroom. The bridesmaids, Miss Newton, Miss Evans, Miss Leveson, Miss F. Hamilton (cousin from Canada), and Miss Dora Twyford (also of Liverpool) were attired in cream crepe, trimmed with satin, the broad sash being the trimming. Large picture hats of straw, trimmed with lace and roses, were also worn, the shade of the roses in the case of Miss Newton being damask, the shade of Miss Evans and Leveson being pink, and the shade of Miss Hamilton and Twyford being shaded. The bride's train bouquet consisted of white flowers, including roses, carnations, stephanotis, tuberoses, orange-blossom and smilax, the proper contrast being supplied by the graceful asparagus fern; the bridesmaids' ribbons were also attached. The first bridesmaid carried a tall bouquet of dark red and cream roses, with asparagus fern, tied with cream ribbon. Two other bridesmaids carried red and pink roses, and the remaining two pale pink roses and fern, hung with cream ribbons, and in addition to this which was a spray of forget-me-nots, quinces and pearls, the gift of the bridegroom. There were also in the church a number of guests whose dresses were very handsome, but unfortunately we were not able to give a description of their costumes, but we could not but notice the lovely bouquet carried by Miss Taylor (red, pink and cream roses), Mrs. Watson (a posy of pale pink roses, fern and asparagus), Miss Coleman (posy of pale pink roses and maidenhair), Mrs. Taylor (a posy of white marguerites and white peonies), Miss Coleman's dress consisted of holotrops and smilax, trimmed with pink and green shot moire. Mrs. Taylor, a handsome Bengaline, trimmed with black lace and jet; her bouquet of white flowers. She also wore a pretty black lace bonnet, trimmed with white flowers. Miss Taylor was attired in green silk, shot with the palest pink, and her bodice being trimmed with Venetian lace and cream lace—a hat of cream lace and pink roses being a very pretty set off to a handsome costume. Mrs. Garrold came in a black and silver dress (posy of pale pink roses and white flowers), Miss Evans, Miss Alice Hamilton, a pale green dress, trimmed with white lace; her cream hat, with its lace wings and marguerites, was much admired. This lady also carried a lovely bouquet. Among others, we noticed at the church:

[Here followed the names of over 100 guests.]

At the conclusion of the ceremony a reception breakfast was partaken of at the house of the bride, and shortly before six for the honeymoon, which will be spent in the Solli Islands, the journey probably being broken at Penzance. The going away costume was particularly handsome, consisting as it did of a lawn cloth, through which tiny blue silk threads were drawn, which added not a little to the general effect. The waistcoat of blue silk was overlaid with lace. The train was drawn, which was trimmed with a lawn cloth, and lace, wings, and exquisite pink roses.

[The Courier gives up half a column of its space to a list of the presents to the bride.]

The Willesden Chronicle of the same date thus editorially refers to the wedding: "We describe elsewhere the marriage of Miss Taylor and Mr. Twyford at the old Parish Church, wedding weather graced the day, and the interest the ceremony excited locally was shown by the crowds at the church, and later on at the bride's mother's house. The guests, too, exceeded a hundred in number, and indeed the wedding was a most important parish event. Dr. Taylor, the bride's brother, especially and indeed the whole family, have been to the forefront in benefiting the parish and aiding the deserving, and the hospital is one of the most prosperous and happy life."

THE GREAT WIGGINS FAMILY. Their Remarkable Convention at Boston a Few Days Ago.

Kinsmen Assemble From Every Quarter—The Wiggins are Eminent Everywhere—Their Claims of Long Descent.

The convention of descendants of Governor Thomas Wiggins of 1681, the first governor of New Hampshire, which was composed of representative families in the United States and Canada, and held at Boston a few days ago, appears by the press to have been of much more than usual interest. "Agreeably to announcement it took place at Young's hotel, one of the finest in the city, the burden of the details having fallen on the secretary, Rev. J. H. Wiggins, and Gen. J. W. Wiggins, who were on hand shortly after noon to receive the kinfolk—who began early to arrive from four thirty towns and guests were present. On the table were a Bagdad, Canada, being represented by Prof. E. Stone Wiggins of Ottawa and his charming wife, of whom was heard so much a few years ago in connection with the marriage bill and her success in having it passed by the parliament of Canada.
