THE SAILOR'S GRAVE.

Inscribed to my affectionate and afflicted Sisters.

BY W.

At home, when the fires blaze merrily up,
And we laugh with the young and the brave;
For oft we forget, while we sip from the cup,
He who sleeps 'neath the briny wave.

'Twas morn! and the sun in his glory arose,
While bright shone his morning crest,
And the gallant bark lay safely moored
In the stream, her watery nest;
Happily sing the morning birds,
While they chaunt the glories of day,
While the sailor-boy sings "cheerily boy,"
As the massive anchor they weigh.

The birds waft gay o'er the rippling sea,
The snowy sails firmly are set,
And expand in the wind, while the sailor's mind
Clings to those who but late he had met.
As the wind whistles louder, the gallant bark rears
To kiss the height of the foam;
While the music sweet, that the sailors greet,
Is the tune of the tempest moan.

Afar in the rear the gay city is lost,
The bark plunges onward alone,
While in hours of ease, with the billows at peace
They think of a distant home!
Home, home! that word to a sailor's heart
Is a balm to a thousand sores;
And when he is absent, he hears that sweet sound
In the splash of the slender oars!

But the sun has gone! he hides his proud light,
And the skies in dun darkness now lower;
And the meteors bright, from the womb of night,
Flash on—'tis the tempests power.
"Avast!"—but the winds howl louder still;
"Avast!"—but the seas swell wild;
But while elements rage, and a deadly war wage,
The sailor stands bravely and mild.

But alas! while we speak, in *his* mildness so pure,
Tho' the bark rides heedlessly on,
He's lost! oh God! his sad fate is sure,
For he sinks! 'neath the swelling surge *gone.*
He fell! yes *him*, so calm and serene,
He lost his hold by the stay;
He's gone, and the seas moan a requiem hymn,
While the bounding bark speeds on her way.

How swiftly onward the moments sped;
How swift time ever flies!
The gurgling waves roll laughingly on,
Nor mark where the mariner lies.
No heather bloom, or verdant corn,
Smile sweet o'er the sailor's grave;
His winding sheet is the howling storm,
And his pillow beneath the wave.

No blushing rose nor lily fair,
Blooms gay through his sepulchre's gloom;
For the ocean surf is his tablet stone,
And the depths of the sea his tomb.
Oh, Angels of Peace, who guard the frail bark,
Droop low like a weeping-willow,
O'er the sailor's grave, and watch the brave,
While they sleep on their water-made pillow.

MYERS' EXTRACT OF
ROCK ROSE.

FOR all cases of Scrofulous Diseases, Dyspepsia, Salt Rheum, Sick Headache, Canker & Nursing Sore, Mouth, General Debility, &c. &c. No Medicine has ever received such high testimonials from persons who have been afflicted with the above named diseases, as the Rock Rose. Myers' Extract is an elegant preparation, perfectly save, and a wonderfully efficacious remedy. The extraordinary Medicinal properties of the Rock Rose Plant, have become known to some of the most eminent Medical practitioners of the country; others are fast becoming acquainted with its healing virtues, and desire to have it more extensively known and used.

The following is an extract from a note on the title page of a work published by D. A. Tyler, M. D., New Haven, Conn. on the efficacy of Rock Rose. These pages were penned without any expectation of their ever being presented to the public—"since which time the plant (Rock Rose) under consideration has been more fully tested its virtues developed, and their character more fully established. They are published by with the consent of several medical friends. The object of this dissertation is to lay before the members of the profession and to the public, the virtues of a plant too much neglected which undoubtedly (as an order member of the profession once remarked to me) possessed far more attractive hours than the popular sarsaparilla. I ask for the plant an impartial trial."

ITS MEDICAL HISTORY AND PROPERTIES

Are far the most important, since upon these depends its value to the community. Dr. Loudon says, that in 1799, it was so valuable in England, that it was cultivated from seeds. Ever since 1806.

PROF. IVES, OF YALE COLLEGE,

Has habitually used it with great success in *Scrofula*, and *Chronic Disease*, and through him its virtues were made known until, as Dr. Tyler says, "it is now in this section [New Haven] a common article in domestic practice, for the cure of *Scrofula* and cutaneous diseases." Dr. Whitlaw, a Scotch botanist of notoriety, while traveling in America, in 1814, learned its use in Canada. Returning to England, he employed it in medicating his baths, when became greatly celebrated for the cure of similar diseases.

DR. PARISH, OF PHILADELPHIA,

Remarks that it has been successfully used in bad cases of *Scrofulous Disease*.

DR. J. H. THOMPSON, OF THE SAME PLACE,

Prescribed it in bad cases of Scrofulous patients at Wells' Hospital. His success attracted the attention of senior physicians. He reports the following remarkable cases of White Swelling of the right hip, in February, 1811. The lad was seven years old, and had the disease for three years. The bone was distracted upward and outward. There was a large opening on the hip leading to the bone, into which I could thrust my finger. I counted twelve ulcers. He had been under several physicians, who had given him up. I ordered a decoction of the *Rock Rose*. In two days his night sweats ceased; I then ordered a tea spoonful of the tincture of Rock Rose, three times a day. *Thirty-nine* days after he was *entirely well.*

THE GREAT REMEDY.

Sharp's Balsam of Hoarhound and Aniseed.

An never failling cure for Coughs, Colds, Asthma, Shortness of Breath, &c.

The extraordinary celebrity which this simple, pleasing, and effectual medicine has attained, may be seen by the following proofs, or certificates, all from persons well known:—

Mr. J. G. Sharp.—

Since you appointed me agent for the sale of your valuable Balsam of Hoarhound and Aniseed, I have been repeatedly informed by those who have used it, that it is without doubt one of the best medicines they have ever had, for the complaints in which it is recommended.

R. D. M'ARTHUR.

To Mr. J. G. Sharp—

Sir,—One of my children has been suffering *for years* under a severe Cough. The usual remedies were applied without effect. Having heard of Mr. J. G. Sharp's "*Balsam of Hoarhound and Aniseed*," I obtained some, and after the use of about 8 oz., or one vial of this extraordinary mixture, the cure was complete.

J. G. CAMPBELL,
April 23, 1852, City of Saint John,

Mr. J. G. Sharp,

Ihad, a few weeks ago, a very bad cold. Being recommended to try *Sharp's Balsam of Hoarhound and Aniseed*, I got a quarter dollar bottle, and found it not only a pleasant but a most useful and effectual medicine. It is pleasing to take, and a first tive medicine. It is pleasing to take, and a first rate cure.

PATRICK POWELL,
April, 23, 1852, City of Saint John.

For the last sixteen years I have suffered from Asthma so bad that I was often obliged to sit in bed to prevent suffocation. I tried every means, during that time, that the usual or ordinary medicines could produce, but without effect, until I obtained some of *Sharp's Balsam of Hoarhound and Aniseed*, (which was recommended to me,) and after using two bottles, I found the relief so long sought for.

Here is your Remedy!
HOLLOWAY'S OINTMENT.

A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 43 YEARS' SUFFERING.

Extract of a Letter from Mr. Wm. Galvin, of 70 St. Mary's street, Weymouth, dated May 15, 1851

To Professor Holloway.

Sir,—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your Advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without scum or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow-creature.

(Signed) WILLIAM GALVIN.

A PERSON 70 YEARS OF AGE CURED OF A BAD LEG, OF THIRTY YEARS' STANDING.

Copy of a Letter from Mr. William Aldis, Builder of Gas Ovens, of Rushcliffe, near Huddersfield, dated May 31st, 1851.

To Professor Holloway.

Sir,—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact. (Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England Chemist, 13, Market Street, Huddersfield.

A DREADFUL BAD BREAST CURED IN ONE MONTH.

Extract of a Letter from Mr. Frederick Turner, of Petersfield, Kent, dated December 13th, 1850.

To Professor Holloway.

Dear Sir,—My wife had suffered from Bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

(Signed) FREDERICK TURNER.

A WONDERFUL CURE OF A DANGEROUS SWELLING OF THE KNEE.

Copy of a Letter from John Porter, an Agriculturist, residing at Newborough, near Hexham, dated May 15th, 1850.

To Professor Holloway.

Sir,—I was afflicted with a swelling on each side of the leg, rather above the knee, for nearly two years, which increased to a great size. I had the advice of three eminent surgeons here, and was an inmate of the Newcastle Infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment I determined to try them, and in less than a month I was completely cured. What is more remarkable I was engaged twelve hours aday in the Hay Harvest, and although I have followed my laborious occupation throughout the winter, I have had no return whatever of my complaint. (Signed) JOHN PORTER.

AN INFLLAMMATION IN THE SIDE PERFECTLY CURED.

Copy of a Letter M. Francis Arnot, of Breahouse, Lothian Road, Edinburo', dated April 29th, 1851.

To Professor Holloway.

Sir,—For more than twenty years my wife has been subject, from time to time, to attacks of inflamation in the side, for which she was bled and blistered to a great extent, still the pain could not be removed. About four years ago she saw, in the papers, the wonderful cures effected by your Pills and Ointment, and thought she would give them a trial. To her great astonishment and delight she got immediate relief from their use, and after persevering for three weeks the pain in her side was completely cured, and she has enjoyed the best of health for the last four years.

(Signed) FRANCIS ARNOT.

STEARN'S Family Medicines

NOTICE TO THE PUBLIC.
OF INTEREST TO ALL.
Sharp's Celebrated Family Medicines and Preparations.

Sharp's Concocted Alterative Infusion of Sarsaparilla.—Sarsaparilla has of late years been much used, and with great success, in cases of Chronic Rheumatism, as an alternative in Scrofulous affections, Scurvy, Obstinate, Cutaneous Eruptions, Indolent Ulcers, Diseases of the Periosteum and Bone, attended with obscure pains, wasting of the flesh, tenderness of the part, tumors and nodes unconnected with Syphilis, and in that state of the habit known among medical men under the term of Cachexia, but which is not easy to define. In such cases Sarsaparilla proves a most valuable remedy, and often effects a cure when all other remedies have long been administered in vain, and when the diseased state of the system has been of many years duration.

This article, prepared by John G. Sharp, has performed numerous and most astonishing cures of persons who have for years been tortured with sores from head to feet, and others who have been sent up with Mercurial Rheumatism, which they had been laid up with for 2 or 3 years. Prepared and sold by John G. Sharp, Member of the Pharmaceutical Society of Great Britain. N. B.—Dose, a Wine Glass full, three times daily.

SHARP'S BALSAM of HOARHOUND AND ANISEED, for Coughs, Colds, Shortness of Breath, Asthma, &c.

This excellent medicine has the extraordinary property of immediately relieving Coughs, Colds, Hoarseness, Difficulty of Breathing, and Hoarseness of the Throat. It operates by dissolving the congealed phlegm, and causing free expectoration.

Persons who are troubled with that unpleasant tickling in the Throat which deprives them of rest night after night, by the incessant cough which it provokes, will by taking one dose find immediate relief, and one bottle in most cases will effect a cure. Sold in bottles at 1s. 6d. to 2s. 6d. each.—Prepared by John G. Sharp, member of the Pharmaceutical Society of Great Britain, Dock street, St. John, N. B.

Sharp's Tincture of Myrrh and Borax; prepared with Eau de Cologne.
