SCOTCHMEN ARE AGAIN

Many people become run down, but don't know just exactly what their trouble is. As a rule it is improper circulation of the blood, owing to not just taking proper care of themselves. All they want is a good tonic to build up the system and put their blood in proper shape, and for this purpose there is nothing to equal Burdock Blood Bitters. It regulates the stomach, liver and bowels, purifies the blood and tones up the entire system. Mr. Murdock A. Morrison, Tarbot, N.S., weites—"I am now writing to tell you what Burdock Blood Bitters has done for me. Lain summer! us all run down, and doctors and redicine failed to cure me. At last I decided to try a bottle of Burdock Blood Bitters, and after taking one bottle I began feeling better, and after I had taken the remedy for two months I was completely cured. I can safely recommend your remedy to anyone."

With the rendering of Handel's sacred Oratorio, "The Messiah," the St. John Choral Society will make their debut this evening at the Opera House. Under the direction of E. S. Peacock the society has been actively engaged in preparation for their initial effort, and although organized but a few months they have attained a high degree of excellence, and judging by rehearsals a musical treat awaits those who attend this evening.

The entertainment has a two-fold claim to a large audience, one of which is the end to which the proceeds will be devoted. The society will donate the returns from their first public venture to the St. John Anti-Tuberculosis fund. In addition to this is the east value of the best local and outside talent, with a chorus numbering over a hundred and twenty well-trained voices.

The soprano solo parts will be rendered by Mrs. Annie Estelle Hollis of Boston, whose services the society were fortunate in enlisting. Miss Ella M. Courtney, favorably known in Hall-Max musical circles as a contratio singer of talent, will also be among Mits Hollis arrived in the city yesterday.

G. S. Mayes, well known in local Ferriam Courtney, favorably known in local Ferriam Courtney, several courtney for talent, will also be among Mits Hollis arrived in the city yesterday. Finlay . . . 83 96 88 267—89
