F'TON HORSES  
AT MOOSEPATH  
ON SATURDAY

That classy racing will be seen on Saturday at Moosepath is assured by the fact that there will be four Fredrickson horses on hand to give the local flyers a brush. These horses will arrive this evening and one will be entered in each race. As tomorrow afternoon's sport will probably be the last for this season suitable prizes will be competed for in every race. The driving club has received a hint of harness from Messrs. Horton and Sons to be competed for in the free for all, and they wish to thank that firm for their kind donation.

WILL TRADE  
MARSHALL  
FOR THOMAS

Milwaukee, Wis., Mar. 7.—Duffy's willingness to trade Catcher Marshall indicates that he has a backstop or two coming from the big arena. Both

the Boston Americans and the St. Louis Browns promised to help the Milwaukee club out with catchers if needed, so it is probable that a man will be turned over to the Brewers by one of these two clubs. The man wanted most by Duffy is Thomas, a

young paddist, owned by the Boston Americans. Thomas is said to be one of the most promising players in the major show and before it will be possible to get him, waivers will have to be obtained from all American league clubs.

CHATHAM  
WON LEAGUE  
CHAMPIONSHIP

Special to The Standard.  
Moncton, Mar. 7.—The playoff game for the New Brunswick hockey league championship between St. John and Chatham took place in the St. John rink tonight in the presence of a large crowd including many rooters from the home towns of both teams. Though there was the keenest rivalry and the game was stubbornly contested, there was comparatively little rough play, the penalties handed out being for minor offences.

In territory play Chatham had somewhat the best of the argument and outskated St. John all through the game, which was fast and very much in doubt until the final goals were scored.

At the end of the first half the score stood 3 to 3, while at the end of the second half it was again 3 to 3. It was decided to play ten minutes overtime, changing ends in five minute periods.

In the overtime play Chatham rushed things more determinedly than ever and Godfrey scored 2 goals, one pass from Synnott making the score 5 to 3, and giving the North Shore boys the championship for 1912.

For the winners, Duncan and Godfrey starred, while Bumps McAvity, St. John's cover point, was effective in his rushes and gave a good exhibition of the game.

The lineup was as follows:

Chatham	Goal.	St. John
Binney	Point.	Barton
Walling	Center.	P. McAvity
Milford	Rover.	B. McAvity
Synnott	Center.	B. Gilbert
Godfrey	Left Wing.	Clawson
Duncan	Right Wing.	P. Gilbert
Carroll	Referee.	Shorty Trites, of Moncton, gave good satisfaction.

WITH THE  
BOWLING  
LEAGUES

The St. John Bowling Club held their monthly tourney on Black's alleys last evening. The members were divided into teams of two, and they

rolled four strings each at Boston place. After the smoke of the battle had cleared away it was found that the team composed of T. L. Wilson and F. McKel had won the first prize with a total of 788, while H. McKean and J. McLeod arrived a close second with a total of 772. The winners each received a valuable calabash pipe.

There will be a double header in the city league this evening when the Y. M. C. A. clash with the Tigers at 7.30 and again with the Juniors right after the first game.

In the commercial league the O. H. Warwick team will bowl Barnes and Co.

The annual New England amateur glove tournament under the auspices of the B. A. A. will be held at Mechanics' building, March 30. Entries will be received by Chairman G. B. Billings in the following classes: Bantamweight, featherweight, special 125-pound class, lightweight, welterweight, middleweight and heavyweight.

## BOND ISSUE

20-Year First Mortgage 6 p. c. Bonds	\$1,250,000	\$1,250,000
Bonds dated Feb. 1st, 1912.	Due Feb. 1st, 1932.	

Interest payable at the Quebec Savings and Trust Company, Montreal, February 1st and August 1st.

**DENOMINATIONS: \$1000, \$500, \$100**

The Bonds are subject to purchase in the open market or to redemption on or after February 1, 1914, at 105, when a Sinking Fund becomes operative of 3 p. c. of the total bond issue, plus an amount equal to the amount of the annual interest on all the bonds redeemed through the Sinking Fund. This Fund will retire the entire issue before maturity.

In offering these Bonds for conservative investment we draw attention to the following points:

Assets of the Company are equal to more than twice the bond issue.

No cash consideration has been paid, and the entire proceeds of the present bond issue go into the treasury to provide further working capital.

Average earnings for the last four years have been equal to twice the interest on the bonds, and for the last year over three times.

Contracts are taken on a basis of cost plus a stipulated profit, which eliminates losses and makes the profits both certain and satisfactory.

Last year's earnings in relation to present capitalization, after allowance is made for saving in interest on loans and discounts, show over 5 p. c. on the common stock.

The Company is the largest and most successful construction concern in Canada. The management remains in the hands of Mr. Peter Lyall, regarded as the premier builder of the country, and his two sons, Mr. William Lyall and Mr. Trail O. Lyall.

The Sinking Fund provisions are especially attractive from the investor's standpoint. The fund amounts to 3 p. c. per annum, plus interest on bonds redeemed, and it follows that the amount necessary for the bond interest decreases, while the amount available for Sinking Fund increases proportionately. In ten years' time the amount available for Sinking Fund represents 8 p. c. of the outstanding balance of Bonds, and the entire Bond issue will be redeemed before maturity.

Subscriptions should be made on the form accompanying the prospectus, and are payable to any of the undersigned as follows:

30 p. c. on allotment.	20 p. c. on May 10th, 1912.
20 p. c. on April 10th, 1912.	Balance on June 10th, 1912.

Full particulars concerning the Company, as also copies of the Company's financial statement, the appraisals and real estate reports will be found in full in the prospectus, copies of which, along with additional application forms, may be obtained from the undersigned and all members of the Montreal and Toronto Stock Exchanges and local brokers.

SCOUTING IS  
CLASSY JOB

St. Louis, Mo., Mar. 7.—Dick Kinsella, wearer of the false mustache, searcher for the budding athlete, ex-magistrate, man of affairs and scout extraordinary, gets more money than any scout extant. When Dick was yanked from Springfield and induced to affix his name to a Cardinal contract, a lot of good change had to go along. It is said on reliable authority that Kinsella hauled down \$5000 per annum.

A scout is out only three months. Five thousand dollars per three months is \$1666.66 per month or \$55.55 per day. This also is \$2.31 per hour for every hour of the day, figuring that a scout never sleeps. With this modest little stipend in view, the yawning arms of the pothouse aren't going to stretch out and nab Dick for a day or two.

THE CAMPUS  
POLICEMAN  
FOR SWEDEN

New Haven, Conn., Mar. 7.—The academic senior class of Yale University will send Jim Donnelly, one of the campus policemen, to the Olympic games in Stockholm, Sweden, next summer, as a token of their good feeling toward the big officer.

Donnelly is a great favorite on the campus and has received many tokens of appreciation from the students. This, however, is the greatest reward he has yet received from Yale. He has been campus policeman more than 15 years.

THE MONCTON  
HOCKEY TEAM  
WAS DELAYED

Special to The Standard.  
Moncton, Mar. 7.—The Champion Victorias did not leave tonight as expected on their trip to the Upper Provinces to lift the Stanley Cup. Word was received that the first game will not be played until Monday night the 11th, and the second game on Wednesday, so that the Vics will not start for Quebec till Saturday night.

## FITZGERALD'S CLAIM ALLOWED.

Cincinnati, March 4.—The National Baseball Commission today allowed the claim of player Justus Fitzgerald against the New York American League Club for back salary. Fitzgerald contended that the club owed him \$384. This covered his salary from the close of the season of the Jersey City Club, to which he was sold on Sept. 24, 1910, to Oct. 8, the end of the American League season.

Mike Glover called in yesterday and is looking hale and hearty after his trip abroad. Says he is going to try it again next year, but in the meanwhile is matched to take on Willie Fitzgerald at Albany, March 18, at catchweight. He is looking for boats in the water class.

HENRY SALVEY  
FLEW TO PARIS  
FROM LONDON

Paris, March 7.—Henry Salvey, the French flying man, arrived at Issy Les Moulinaux, a suburb of Paris, in his monoplane at 1 o'clock this morning, having travelled from London without a stop. He covered the distance of 102 miles in 2 hours and 57 minutes. At a quarter past two this afternoon he left again for London in his monoplane.

While Jack Curley is trying to conjure up a \$50,000 purse for his prospective Johnson, the champion boxer, the efforts of Eddie Grane to bring together Al. Palmer and "Bombardier" Wells of England on July 4 at his Frisco club are well worth watching. A contest between them would hardly be of championship calibre but it is about the best heavyweight offering we have in sight for the holiday.

Over in New York the advertising booming of Carl Morris and Palmer continues and it is to be presumed that at the psychological moment the men will be matched for a meeting at the National Sporting Club. The Empire A. C. is reported to also be in the field for the bout with a duplicate offer of the \$11,000 that the N. S. C. stands ready to put up.

It would be interesting to know what Sid Smith, the British flyweight champion, who has been championing about in New York for nearly a month, intends to do. Several times he has been reported as matched, his last newspaper opponent being Frankie Burns of New Jersey. The latest has Smith packing his box for home as the result of a falling out with some of his several managers.
