## STOCKING BINS OF C. N. R. ELEVATOR

ork of stocking up the bins at the C. N. R. grain elevator, Reed's Point, began Wednesday, and by yesterday afternoon over 40,000 bushels had been stored away.

Manager Smith says there are on the way now consignments of grain from the West aggregating 525,000 bushels, which is 25,000 more than the capacity of the elevator. Steamers for grain are already en route.

## OBITUARY

**SECOND CHILD DEAD**  
The many friends of Mr. and Mrs. Andrew Bryce will regret to hear of the death of their infant daughter, which occurred yesterday morning in the Maternity Home, Coburn street. The infant is one of triplets, two boys and one girl, one of the little brothers dying a short time ago. The mother and surviving boy are getting along nicely.

## Common Council Met In Committee

Authority Given for Preparation of Plans for Paving Streets by Contract—War Veterans Request Grant—Vocational Training Given a Start.

The common council met in committee yesterday morning. Authority was voted for the preparation of plans and specifications for the paving of Douglas avenue, City Road, Brussels street and Marsh Road, to be done by contract.

The council also heard a delegation from the G. W. V. A., who requested a grant of \$10,000. Consideration was promised. The committee voted \$5,000 towards vocational training.

On the opening of the meeting the request of the vocational board was taken up. Commissioner Fisher moved that a grant of \$5,000 for vocational training be authorized to be provided for in next year's assessment, to cover cost of operating vocational work from November of this year until March, 1920.

Commissioner Jones said more school buildings were required; city employees would probably ask for more money; teachers would have to be paid higher salaries, and in general expenses would be greater. Before any plan of action is taken in regard to vocational training all other grants should be considered. He said others had got along under the present system of education; he could not see why children today could not do likewise.

Commissioner Thornton said he would not oppose giving vocational training a trial. Because men of today were not given vocational training was no reason why the youth should be denied any benefit which might accrue.

The motion carried, with Commissioner Jones voting nay. On motion the delegation from the G. W. V. A. was then heard. The representatives were Major William Vassie, Major Alex. McMillan, D. S. O. Capt. W. J. Brown, and trustees, E. A. Schofield, George Warwick and M. E. Agur.

Major William Vassie said the delegation had come to council to request that the city give \$10,000 to pay off the mortgage on the Veterans' Home, in lieu of giving the \$15,000, authorized by motion, towards the erection of a new G. W. V. A. home. There are

## THE BIRD LOVERS FEED THE PIGEONS

Many Scenes of Kindness in King Square — Birds Are Particularly Friendly With a Citizen—Children Scatter Crumbs to the Birds.

Rats and mice followed the famous Pled Piper of Hamelin, and while that may have been a satisfactory sight to the dwellers in that town, a prettier picture may be seen in the large flock of pigeons which follow a St. John citizen.

Almost any fine day in King Square you may see this bird-lover feeding his feathered friends who rest on his shoulders and arms and hop after him along the paths, treating him in every way with the utmost confidence. Even the motion of walking will not shake the birds from his arms for they cling there and feed from his hands as he goes through the Square.

At one house on the Square the brown pigeons have been fed and they soon learned to discriminate, the brown ones driving away any blue ones who come.

There are certain regular places where the birds go for their meals and it is to be hoped as the winter comes on that this habit of putting out crumbs or grain for the birds may not be given up. The pigeons are the pets of the public and many a person who is deprived by circumstances of the possession of a dog or cat can at least feed the pigeons. Many little children are taken to the Square to scatter crumbs for the birds and thus are taught something of kindness to all created things.

1,400 members from whom there is an income of \$7,200.

The Mayor said the vote of \$15,000 towards a new G. W. V. A. home had been sprung on the council suddenly. As chairman of finance he had not been consulted; Mr. Fisher had also opposed the vote. If the delegation could show council how the city revenue could be increased to meet the request, the council would feel disposed to help the soldiers.

After the delegation were heard the council promised of an early consideration.

Applied After Shaving  
Keeps the Skin Soft and Smooth

MANY men suffer from irritation of the skin as a result of shaving. With some it assumes a form of eczema and becomes most annoying and unsightly.

By applying a little of Dr. Chase's Ointment after shaving the irritation is overcome and such ailments as Barber's Itch and Eczema are cured.

60 cents a box, all dealers, or Edmanson, Bates & Co., Ltd., Toronto.

Dr. Chase's Ointment

Today We Go Even Further

Fifty years ago—before Sir Joseph Lister founded antiseptic surgery—surgical operations often were followed by gangrene and blood poisoning.

Today such consequences are rare exceptions, and medical science has so extended the idea of sickness prevention that the great plagues of the past no longer ravage the world. Serums, vaccines, anti-toxins, sanitation—all stand guard before the citadel of health.

Now science has developed an effective agent against that general condition that underlies 90% of all human disease—constipation.

That effective agent is Nujol! Leading medical authorities agree that pills, salts, castor oil, etc., simply force and weaken the system. Nujol softens the food waste and encourages the intestinal muscles to act naturally, thus removing the cause of constipation and self-poisoning.

Nujol helps Nature establish easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world. Get a bottle from your druggist today. Be valuable health factor—'Thirty Feet of Danger'—from Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, N. Y.

Warning: Nujol is sold only in sealed bottles bearing the Nujol Trade Mark and the words 'Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, N. Y.' The name 'Nujol' is prominent on the wrapper.

Nujol For Constipation. SICKNESS PREVENTION

## Could Not Stand Ticking of Clock

Sydney Woman So Nervous and Run-Down She Almost Gave Up—Restored by Tanlac.

"I was so nervous and run-down that life was a burden to me but Tanlac has restored my health," said Mrs. Ronald McNeil of 61 Ferry St., Sydney, N. E., recently. "I can't express my gratitude to Tanlac because it gave me back my health after everything else had failed," she continued.

"I had a spell of illness last spring and it left me in such a dreadful condition I was afraid I would never be myself again. I had a perfectly terrible cough and was so nervous I could not bear the ticking of a clock in the same room with me. It was almost impossible for me to get to sleep at night and the slightest noise would wake me up and I would toss about for hours without closing my eyes. I would get up feeling worse than when I retired and simply dread the day's housework. Every little mole-hill of work seemed like a mountain to me. My stomach troubled me a lot and was so weak I could not ever eat anything heavy, and I was so constipated I had to take a laxative four or five times a week. I tried everything in the way of medicine that I could think of, but could get no better and I got so depressed that I often felt like just giving up and crying.

"My husband suggested that I try Tanlac, but I was so run-down that I took two bottles before I could tell it was doing me much good. I determined, however, to give it a fair trial and the next two bottles simply took right hold and made me over into a different woman. My appetite picked up and my strength came back almost in a single bound. My nervousness is entirely gone and I sleep like a child every night. I get up feeling fresh and strong for the day's work and eat heartily three times a day without the slightest trouble. I have gained a lot in weight and feel better than I have in years.

"I believe Tanlac will help anyone after a fair trial. It certainly made a different woman out of me."

Tanlac is sold in St. John by Ross Drug Co. and F. W. Munro under the personal direction of a special Tanlac representative.—Advt.

## FUNERALS

The funeral of Leonard S. Quinlan took place yesterday morning from his late residence, 279 Charlotte street, to St. John the Baptist church, where requiem high mass was celebrated by Rev. A. W. Meahan, D. D. Interment was made in the new Catholic cemetery. Relatives were pallbearers, and many beautiful floral tributes and spiritual bouquets were received. The funeral was attended by many friends.

The funeral of Miss Dora A. Wilson took place yesterday afternoon from the residence of her parents, Mr. and Mrs. W. J. Wilson, Lorneville. Service was conducted by Rev. Mr. Bevis and interment made in the Lorneville cemetery.

## CONCERT GIVEN

Members of the choir of St. John's (Stone) Church gave a delightful concert at the Old Ladies' Home last evening. After a pleasant time had been spent listening to the musical programme arranged, refreshments were served.
