Don't Wait

for the Break

When your car is running good--you want to keep it going that way. It is a good plan to have your car looked over periodically, even though it may seem to be in the best of running order. If you do this, you may save many dollars by averting a bad break when on the road. Let us look over your car and do any necessary tightening and cleaning, oiling, etc. As a motorist you will understand the logic of this, and won't hesitate to take the necessary precautions.

We are always glad to help you with your car troubles. We aim to give Prompt and Efficient Service at all times--a trial will convince you.

Old reckonings breed new disputes.

SOMEONE MUST SMOKE IT SO WHY NOT SIR THOMAS?

Although I am probably the biggest smoker in the United Kingdom, Sir Thomas Lipton remarked to a friend the other day, "I never smoke cigars." "You prefer a cigaret or a pipe, perhaps?" the friend queried politely. "No, I never smoke either," was the reply. "Then may I ask what you do smoke?" "Bacon," was the laconic reply.

Too many women endure suffering that casts a shadow over half her existence. An aching back, tired limbs, attacks of faintness, splitting headaches need not be a part of woman's life. Such trials indicate plainly that the blood is thin and watery and that the sufferer needs the help of a real tonic such as Dr. Williams' Pink Pills. Suffering women who have used this medicine speak of it in the highest terms. Among those which have been thus helped is Mrs. Ada L. Harnan, Virden, Man., who writes: "Following the birth of a still-born child a few years ago, I had a very serious time. I was so weak for months that I could not walk across the room without a feeling of faintness. I had scarcely strength enough to stand up, and when dressing would have to sit down two or three times. My face and lips were colorless, I had no appetite, and life did not seem worth living. A friend urged me to try Dr. Williams' Pink Pills and I got six boxes. Before they were all gone I felt improved. My appetite was returning, color was coming into my face, and I was visibly stronger. I continued taking the pills and fully regained my former good health. I consider Dr. Williams' Pink Pills a blessing to weak women, and hope my experience will induce some other sufferer to try them."

You can get these pills from any medicine dealer, or by mail at 50 cents a box direct from The Dr. Williams' Medicine Co., Brockville, Ont.

Keep Children Well During Hot Weather

Every mother knows how fatal the hot summer months are to small children. Cholera infantum, diarrhoea, dysentery, colic and stomach troubles are rife at this time and often a precious little life is lost after only a few hours illness. The mother who keeps Baby's Own Tablets in the house feels safe. The occasional use of the Tablets prevent stomach and bowel troubles or if trouble comes suddenly--as it generally does--the Tablets will bring the baby safely through. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Speak little and well if you would be esteemed as the man of merit.
