

Waterloo News THREE CORNERED FIGHT LIKELY FOR MAYORALTY

Reeve, Deputy Reeve and Councillors May be Elected by Acclamation.

NOMINATIONS QUIET AND PEACEFUL

Although there was quite a large slate nominated last evening for the different municipal positions it is more than probable that the Reeve, Deputy Reeve, and likely the Council will go by acclamation. At least that seemed to be the trend of feeling last night but more definite information will be forthcoming when the time for qualifying closes to-night at 9 o'clock. At the nomination last evening there were over one hundred ratepayers present and while a majority expected there would be something doing they were disappointed the meeting being calm and peaceful. The nominations resulted as follows: Mayor, W.H. Kutt, D. Bohlender, H. Sturm, M.H. Stroh, A.H. Cochrane, A.C. Moyer, Louis Holle. Deputy Mayor, M.H. Stroh, Dr. F. Weidenhammer, L. Holle, A.C. Moyer. Deputy Reeve, S. Kiesewetter, A. Foster, Dr. F. Weidenhammer, A. Council—A. Foster, A. Kroetch, A.K. Cressman, S. Kiesewetter, M. Merklinger, Geo. M. Hoffman, J. Bowman, A. Muselmann, A. H. Cochrane, John Zieglar, D. Lippert, P.H. Hasenflager and A. Schaefer. Water Commissioners—A.E. Sanderson, J.B. Fisher, F. Perschbacher.

Sever Commission—Geo. Schnarr, J. Nichol, Fred Toletski. School Trustees—North Ward, S. Dr. F. Weidenhammer, (Acce). Ward, C. Hemphill (Acce). East Ward, M.E. Brandell, C.W. Sulder, West Ward, Allan Shantz (Acce). Nominations Addressed Electors.

Following the nominations a public meeting was held when the nominees addressed the electors. There was some little discussion as to the length of time to be allowed each speaker but it was finally satisfactorily settled and the meeting proceeded.

Mayor Kutt Addresses Meeting. The first speaker was Mayor Kutt who is completing 2 years served as Mayor. His tenure of office as a public servant covered 10 years, continuous but he was not a candidate for the mayoralty this year having decided to withdraw from public life for a time at least. He reviewed the work accomplished by the Council the past year and highly complimented the Finance, Town Property, and Board of Works Chairman on the fine showing made.

There were many big things come up next year among them being separation from the County, the Housing proposition, and the securing of factories and good strong men were required for the Council. In regard to the Hydro tax rate the town could be incorporated when it was taken into consideration that the business assessment on the brewery, Distillery and the hotels had been lost and the tax rate had only been raised 2 mills.

Mr. A.H. Cochrane was the next speaker and among other things said the financial statement was the best presented to the ratepayers in many years the statement showing the town had a nice balance on hand. He urged the electors to study the Hydro Bypass carefully and come out and vote as they thought best. He would be a candidate for Mayor.

Will Stand for Re-election. Mr. M.H. Stroh would not contest the Mayoralty but would be a candidate for Reeve. As chairman of the Board of Works he gave a short resume of the work done the past year. He also had something to say in regard to the Police Department and said if elected he would see that the Police would be relieved of some of their present duties around the Municipal buildings and pay more attention to the street. This year only \$268.00 had been collected in fines which was ridiculously low.

Mr. A.C. Moyer, chairman of Town property, thanked his mover and seconded but would not be a candidate for any office. He had served in the Council for 7 years and might come back later. He also gave an account of the work done by his committee.

Mr. D. Bohlender, chairman fire and Light Committee in part said the committee had made no mistake in purchasing the second team although they had been criticised severely at the time. The team has more than paid for itself twice over in street sprinkling and teaming of the municipal wood. In conclusion he said that during his term of office he had served the town for 2 years as Councillor, 1 as Deputy Reeve and 2 years as Reeve and if elected to the Mayor's chair would be fair and impartial in the discharge of his duties.

Mr. A. Foster, chairman of the Tree Committee gave a resume of the work done and if it was the wish of the electors would stand for Councillors.

Mr. L. Holle who was nominated for Mayor and Reeve would not say whether he would be a candidate or not but should he decide to remain in the field he asked the support of the electors.

Mr. H. Sturm had not definitely decided as to whether he would be a candidate for mayor or not although he had been urged by a number of his friends to do so. If the venture was good enough for them it was good enough for Waterloo. He favored the building of more permanent roads in town but would change the present way of assessing same as it was not fair. He hoped the members elected to next year's Council would back up the Park Board as they were doing a good work.

Mr. Simon Kiesewetter nominated for Deputy Reeve said he would stand and if elected would give trusted services. Messrs A.K. Cressman, A. Kroetch, Philip Hasenflager, D. Lippert, nominees for Council, also spoke briefly.

Good Report of Water & Light. Mr. A. Bauer chairman of the Water and Light Commissioners gave the financial report of the three departments it being the best report financially given for some years. An addition to the Electric plant to cost approximately \$54,000 would have to be built next year to take care of the increasing business said Mr. Bauer. The Gas Dept. was running smoothly and so was the Water Dept., and while both showed a profit it was not advisable to lower the rates just at present but this would come just as soon as the Commission saw their way clear.

More School Accommodation Needed. Mr. Allan Shantz, chairman of the Public School Board among other things spoke of the crowded condition of the schools and provision would have to be made next year to either build additions or a new school.

During the two hours the meeting was in progress the ratepayers listened attentively to the different speakers.

SERVICE AT THE CHURCHES
Christmas Day will be celebrated at a number of the churches when special services will be held.
At St. Louis' R. C. Church To-night (Wednesday) at 12 o'clock midnight, high mass will be celebrated while to-morrow (Xmas Day) children's mass will be held at 8:30 a.m. and Solemn High Mass at 1:30 a.m.

At St. Saviour's
At St. Saviour's Church special services will be held at 8 a.m. and 10:30 a.m. when the choir will render special music. Mr. F. P. Egeper, of Goderich, will be the soloist at the 10:30 o'clock service.

At St. John's Lutheran Church
A special Christmas service will be held in St. John's Lutheran Church Xmas morning at 8 o'clock. In the evening at 7 o'clock the annual Sunday School Christmas festival will be held.

ELECTION NOTES
The time for qualification of candidates closes at 9 o'clock this evening.
It was announced at the meeting last evening that a special public meeting will be held before the election in the interest of the Hydro radial railway bylaw. Two engineers of the Hydro Commission made the announcement at the meeting. The Commission will thoroughly explain the bylaw.

Dear Santa Claus
Just a few lines to let you know I would like to have a story book and a doll a cap and scarf and some candies and nuts oranges.
From Irene Lauber
134 Louisa St City

Shadowland Souvenir given at Allen and Imperial Theatres to-night.
Regular Train Service.
The regular G.T.R. passenger train service is on to-day. It will be on also on Friday but not tomorrow. Commencing next Monday the old service will put be on permanently.

PROPOSAL TO LIMIT QUANTITY OF LIQUOR IN PRIVATE HOMES

Five Gallons of Beer and Two Gallons of Liquor the Limit—No Bone-dry Referendum Unless Asked For by Temperance People.

IS A MAN'S HOME HIS CASTLE?

(Special to the Record).
TORONTO, Dec. 23. It is stated that the U.F.O. government has practically decided to limit the amount of liquor that residents of the province may have in their possession. The present plan is to limit the amount of beer that may be kept in a person's home to five gallons and the amount of whiskey or other spirituous liquor to two gallons.

Between January 1st next and the time this proposed law comes into force Ontario people may import all the liquor they can get from Montreal or the old country, but they must drink it all or get rid of it in some other way before the amendment to the Ontario Temperance Act goes through the Legislature. Otherwise all liquor in private cellars in excess of five gallons of beer and two gallons of spirituous variety will be confiscated, and the owner will be liable to a fine.

The question of asking the legislature to petition the Dominion government to submit a plebiscite to the people of Ontario on the question of prohibiting the importation of liquor is now in the air. Unless the temperance people urge the introduction of such a resolution, it is considered unlikely that the government will move it.

STRENUOUS OPPOSITION
Any attempt to make it illegal for people to have liquor in their private dwellings will be strenuously fought by the Citizens' Liberty League and the people who share their views. It may even lead to a small rebellion according to Col. A. C. Pratt, former commander of the 133rd Norfolk County Battalion and an ex-member of the Ontario Legislature for South Norfolk.

"There is still a feeling that an Englishman's home is his castle and any attempt to search a man's cellar would be keenly resented by liberty loving citizens," said Col. Pratt.

Address and Presentation on.
Mr. John Seebach, former of the Bag Dept. of the L. McBrine Co. was pleasantly surprised and presented with the following address accompanied by a cane rocking chair.

Mr. John Seebach, Foreman Bag Dept. L. McBrine Co.
Dear Jack—

We the fellow workers in the Bag Dept. of the L. McBrine Co. have taken the Liberty to present you with this Cane rocking chair as a token of our Friendship and goodwill and we trust you will always be just in all your duties in the Bag Dept. and remember the High esteem in which you are held by your fellow workers.

Wishing you a Merry Xmas, and a Happy New Year.
Signed by your Fellow Workers.
The address was read by Mr. Charles Stuckland and the presentation made by Mr. Charles Luelo.

A house of beer bottles was once an interesting feature of Tonopah, Nevada. It was on account of the local scarcity of timber that a miner conceived the idea of building himself a dwelling from a huge stack of beer bottles. Over ten thousand bottles were incorporated in the dwelling.

Slang is by no means of modern date, being well-known in the classic ages of Greece and Rome. Numerous examples occur in the writings of Martial, Aristophanes, Terence and others.

As to the Mayoralty.
"Now I might tell you that it was not until this evening that I made up my mind to stand as a candidate for the mayoralty. Repeated requests have come to me from all classes of people to stand.

Mr. Lippert, said he had proposed another arrangement to a hydro engineer at the meeting here some weeks ago. This official at the time thought some different arrangement might be made but nothing further has been heard.

As to Mr. Hannigan's letter from the Hydro Commission this has not yet been received by the local Commission. As soon as it is it will be published in the press.

Ald. W.T. Sass.
Ald. Sass as chairman of the Light Committee referring to war conditions and to street lighting said he hoped the council next year would be able to provide better lighting for the city.

"As to the Council in many cases it was wrongly criticized. While there may have been some things which were unfortunate, the Council as a whole did well. Such little failures should be overlooked. As to the future this growing city needs a progressive Council. The Mayor's job is a big one," he said.

"We are known as one of the best cities in Canada. And I believe that bigger things are still coming to us. But to ensure future prosperity we must all work together. We must be big enough to compromise. Personally I have no feeling about getting even. I am big enough to compromise. Every citizen should be a booster as in the past," Ald. Sass remarked.

Without casting reflection on anyone he said one example of the big work before the city were the streets. As to the Water Commission he believed it would be a mistake to abolish it. Mr. Pequegnat the new superintendent was a very capable and energetic young man and would fill the post acceptably. He hoped the Hydro Radial matter would be adjusted in some way satisfactorily as he was absolutely in favor of public utilities. He'd like to see the city protected.

Ald. Sass pleaded for the observance of law and order and for the enforcement of the law, by those entrusted with this duty. There was no question but that there had been some rotten deals handed out in the past not that he wanted to blame any individual or that he would want to refer to the past particularly, but these things happened because those men entrusted with duty had not done it.

Mr. Eddie Meyer, of Texas, is here over the holiday, the guest of friends.

Mr. Massey, a nominee, said he would not be a candidate for the Mayoralty. He would stand for the Council, however. Mr. Massey read the platform of the labor party, which is favored by many ratepayers, to judge by the applause of the audience. He alluded to the city's growth and to the pace set for the governing bodies. The necessity of a big public hall for periodical meetings of and discussion by the ratepayers was pointed out.

Applause for Hydro Radial By-law.
As to the hydro radial bylaw, Mr. Massey said, "I think there are enough working people in the city to back up the Hydro radial bylaw," he said, and there was applause.

Ald. Zettel Speaks.
Ald. Zettel said he stood on his record in the Council. He had been asked to stand for the Mayoralty by many friends and had finally consented. He asked no votes. As to the streets he said he had suggested new work be done by contract and repairs by the regular staff of the city. He believed it would be more advantageous all around.

As to the working together and cooperating let every man be his legal adviser. Let him remember the British flag stands for law and order. If the individual kept this in mind there would be that cooperation.

Regarding the 1919 Council barring one or two mistakes, on which his own stand was known, the Council had not done so badly.

Ald. Zettel in conclusion promised his best service if elected Mayor. He extended the compliments of the season to the ratepayers.

Mr. Charles Grob nominated for Mayor as well as Alderman said he would not stand for Mayor but would again be a candidate for the Council. He, as chairman of the Sewer Committee reviewed the Committee's work. He was glad to see the city more united than ever and hoped this unity would continue.

Sir Adam Will Do Square Thing.
Dr. J.E. Hett said he would not be a candidate for any office. He also pleaded for unity for the Labor candidates and for the Hydro radial bylaw. "We can depend on it Sir Adam Beck will do the square thing," he concluded.

Mr. Massey, a nominee, said he would not be a candidate for the Mayoralty. He would stand for the Council, however. Mr. Massey read the platform of the labor party, which is favored by many ratepayers, to judge by the applause of the audience.
