

The Bath Without Lawrason's is Like Porridge Without Salt

Lawrason's Snowflake **BATH POWDER** and Water Softener Perfumed :: :: Antiseptic

Users of Lawrason's Bath Powder and Water Softener are just as emphatic in their opinion of this bath powder. It is unequalled under the sun for softening hard water, and nowadays there is little but hard water in our Canadian towns and cities.

This powder comes packed in neat green and red lithographed tins, with nickeled screw tops.

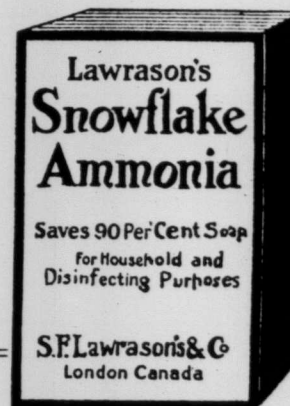

It is a seller and a money maker.

Fall House-cleaning and Lawrason's Snowflake Ammonia Go Hand-in-Hand

The good housewife everywhere knows the value at housecleaning time of Lawrason's Snowflake Ammonia. All you need do is to let her know that you keep this famous 5c package, and you will get her trade. It equals in power any similar powder on the market selling for twice the price.
