## THEOUTSIDE WORLD

## Strike over

MONTREAL (CUP) — Representatives from 30 colleges and universities have voted to temporarily halt a province-wide strike and to return to classes.

While Quebec Premier Robert Bourassa recently said the earliest that tuition fees could be raised would be 1989, the largest student organization in the province is calling for a longer commitment and a guarantee that CEGEPs will remain free.

L'association national des etudiant(e)s du Quebec is negotiating with the provincial government to reform Quebec's loans and bursaries system and has vowed to strike again in January if their platform of demands is not met.

"Quebec student leaders are pushing for recognition of independent status when students are no longer living with their parents," said ANEQ official François Giguere.

Colleague Jean-Pierre Paquet is pleased with ANEQ's success. "We've gotten to first base and we've proven that strikes can be effective. Our mobilization has been our strongest asset," he said.

"Now we want to reform the loans and bursaries structure and increase the level of aid and accessibility."

## C.F.S. meets

OTTAWA (CUP) — Tony Macerollo, the clean-cut and diplomatic chair of the Canadian Federation of Students, was re-elected leader of the national student lobby and services group during its recent general meeting.

Macerollo, who ran unopposed for his second term in office, said the re-election suggests "an evaluation of a job well done to date."

He vowed to continue work on problems that have long plagued the five-year-old organization, including voting procedures and dealing with "non-educational issues." Macerollo, whose new one-year term starts in May, could not elaborate on new goals, saying, "My mind's a bit fuzzy right now."

At the same meeting, CFS delegates voted to sponsor a 'national week of action' to protest post-secondary underfunding.

The Jan. 26-30 protest week will be the climax of 'Funding the Future,' a one-year lobby campaign. Macerollo said the federation's 50 member associations will organize individual protests, as well as simultaneous news conferences to publicize poor funding for education in Canada.

The four main issues of the campaign will be student aid, employment, funding, and differential fees for international students.

# U o V 1 Pagans 0 VICTORIA (CUP) — The University of Victoria administration,

VICTORIA (CUP) — The University of Victoria administration, acting on the advice of the chaplain's office, has reconfirmed a decision not to allow a student pagan group to meet in the interfaith chapel.

A draft report from the chaplain's office says allowing pagans to worship in the chapel would be harmful to the pagan group, the women's movement, the community at large, and the credibility of interfaith. The university administration also thinks it is overly optimistic to try to redefine terms like 'pagan' and 'witchcraft' because of general community paranoia.

Rob von Rudloff, a member of the Holly and Oak Pagan Discussion Group, said the report's attitude is patronizing and condescending in trying to tell them what is in their best interests.

The discussion group originally booked the chapel for celebrating the fall equinox, but then received a letter cancelling the booking.

After the cancellation, a campus chaplain told group member Bryony Lake that the group's activities may be offensive and could be associated with Satanism.

But Lake said the basis of paganism is not connected with devil worship.

"Paganism," said Lake, "is a blanket term describing religions which recognise divinity inherent in nature, and includes the original Celtic religion, the religions of the Lapps in northern Finland and Norway, the religion of North American Indians and of course the ancient religions of Greece, Asia Minor, and Africa."

#### Brock Sacks Sec.

ST. CATHERINES (CUP) — A secretary at Brock University who was dismissed without explanation following her testimony to a sexual harassment committee is suing the university for wrongful dismissal.

Mary Warner, a secretary with the History department for fifteen years, was transferred to the Sociology department against her wishes on Aug. 6 and was dismissed later that month.

Articles in the St. Catherines daily newspaper, The Standard, and an editorial in the Brock faculty newsletter prompted university president Alan Earp to respond with a memo to all department chairs, denying that Warner was fired for providing "information to the Committee on Sexual Harassment."

Earp said Warner had become involved in "a very turbulent situation" as the History department secretary, and this was "one of the reasons" why she was transferred from the department.
