36907

REMARKS

This Settler appears to be a good prospect, His stock & implements are in good shape, he is behind about \$370. but is determined to make good, He has promised to pay this summer and fall. He has had some sickness this winter in the family, this he claims has set him back some, We feel that this man will put forth every effort to make good.

Mr J.D.McLean, Sect.,
Dept., Ind., Affs.,
OTTAWA, Ont.

Your obedient servant,

E.J. Sexsmith
E.J. Sexsmith,
Supervisor.
