Sir,

In reply to your letter of the 19th instant with inclosure, I have to inform you that upon re-examining the sale of Lot 20, Concession 7. Orford, it is found that the East half has been paid for in full. The statement in my letter of the 15th instant that there was a balance of \$16²³ with interest & title due was not correct. This ^{error} arose through that sum having been allowed to stand to the credit of the West half of the Lot, instead of being credited to the East half, when the sale was divided after the receipt of the assignment to you of the East half thereof.
