Ben Sivertz, Commissioner of the Northwest Territories, met with Chief Joe Sangris and two Councillors at Yellowknife recently when the Chief asked Mr. Sivertz to attempt to get \$25.00 a year salary for him. Would you check to see if the Chief is getting the extra treaty payment due him. If so, he may be referring to the monthly payment of \$25.00 for his Chief's duties. I would like to write the Superintendent to have him explain to the Chief what our policy is re payment and refer to Mr. Sivertz having brought this matter up with me.
