

July 14th, 1939.

Dear Sir:

The Indian Agent at Norway House has again requested that an officer of the Royal Canadian Mounted Police be appointed to accompany him on his Treaty payment trip from Norway House to Oxford House, God's Lake, and Island Lake, by plane, leaving Norway House on July 24th.

I shall be pleased if you will advise me if this escort can be provided as was done last year.

Yours very truly,
