

November 29, 1919.

Dear Mr. Fulton, -

I am in receipt of your letter of the 17th instant together with that of the Reverend Father McGuire dated November 12th, with reference to the supply system for the proposed Kamloops Industrial School.

In reply I am pleased to say that the suggestions submitted by Father McGuire have met with the approval of the Department's Engineers, and they will therefore be favourably considered when definite plans are prepared for this school. The Department will communicate with Father McGuire to obtain the required information in order that plans of the school works may be given immediate attention.

Yours very truly,

F. J. Fulton, Esq., M.P.,

Kamloops, B. C.
