12. Remarks: Please note any addition or amendment to any other item in Item 10 has been omitted.

(a) Item 10 has been omitted.

(b) In a written statement, the accused says that whilst previously in detention, he suffered severely from a skin disease which the doctor said was caused by the wool in his battle dress, and that he would never be able to wear battle dress again. He was let out of detention in time for Christmas, but his unit would not give him Christmas leave, so he went AWL again, and kept putting off his return because he was afraid of detention and the recurrence of his disease.
