

# A Great Club Offer.

A radical change from old methods and prices was announced by the Toronto News this week. The eyes of the newspaper world have been upon the News for the past few months, during which time several departures have been made which have given that paper a wide-spread reputation for enterprise and originality. This latest move is to place the News at the price of \$1.00 a year by mail. Only a deep-founded belief in the future success of the News could lead the publishers to make such a reduction in price. But just as the dollar magazine has taken hold of the people, so, we venture to predict, the News will secure a vast and ever increasing circulation, based not only on the popular price at which it is sold, but mainly upon the intrinsic merits of the paper itself.

We have made arrangements which will enable us to club the News with THE DOMINION PRESBYTERIAN at \$1.80 a year in advance. Such a combination presents many unique features, our weekly giving you all the home and foreign Church news, and the big 12-page daily keeping you in touch with events all over the world. Send us your subscription to the News, or if you would like to see the paper first, write us and we will secure a sample copy.
