

Train Robber: Come! Shell out! Rural Minister (sadly): If I had such energetic fellows as you to pass the plate now and then, I might have something to give you.

A young doctor commencing practice had among his first patients an uncommonly unclean infant brought to his office in the arms of a mother whose face showed the same abhorrence of soap. Looking down upon the child for a moment, he solemnly remarked: "It seems to be suffering from hydropathic-hydrophobia." "Oh, doctor, is it so bad as that?" cried the mother. "That's a big sickness for such a mite. Whatever shall I do for the child!" "Wash its face, madam; the disease will go off with the dirt." "Wash its face—wash its face, indeed!" exclaimed the matron, losing her temper. "What next, I'd like to know?" "Wash your own, madam—wash your own."—Scottish-American.

After the use of this Whitening, the skin will forever retain its color. It also removes freckles, etc., etc. The "Hair Grower" is 50 cents per bottle, and the "Face Whitening" 50 cents per bottle.
